## Division of Migratory Birds/Falconry Application - Main Page

**Paperwork Reduction Act Statement:** In accordance with the **Paperwork Reduction Act (44 U.S.C. 3501)**, the U.S. Fish and Wildlife Service collects information necessary to conduct usability testing of the application and functionality of the falconry database, and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Information requested in this form is purely voluntary. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request to participate in the testing. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned **Control No. 1090-0011, which expires 10/31/2021**.

**Estimated Burden Statement:** We estimate public reporting for this collection of information to average 2.5 hours, including time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, **Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: BPHC, Falls Church, VA 22041-3803**, or via email at [Info\\_Coll@fws.gov](mailto:Info_Coll@fws.gov). Please do not send your completed form to this address.

**Privacy Act Statement**

**Authority:** The information requested is authorized by the Migratory Bird Treaty Act (16 U.S.C. 703 et seq), and Parts 13 and 21 of Title 50 of the Code of Federal Regulations.

**Purpose:** To collect the contact information of participants in state falconry programs. The states use a FWS application to maintain information about the falconers and their birds.

**Routine Uses:** The information will be used to monitor disposition of captive birds and the take of birds from the wild. More information about the routine uses may be found in the Systems of Records Notice, FWS-21 Permits System.

## Division of Migratory Birds/Falconry Application - F3-186-A Query (State Falconer)

**Introduction:** This page is used by all registrants (Federal, State Administrators and falconers) to query **Form 3-186-A data**. **How to use:** you may fill out one or more query parameters (presented in the form of Text box) below. Some query parameters are of type data such as name... others are of type codes such as species code, age... Use look up button for codes you do not know. Use comma to separate multiple codes if any. Once done, press the **"Find"** button. The result(s), if any, will be displayed below the falcon image (List of Data records). Use your Browser vertical scroll bar to view data.  
**Note:** for Falconers, the system will display your records only with the date being sorted in descending order.

To return to Home page, click the **"Back"** button. To exit the online application, click the **"Exit"** button.
