Question Text	Answer Choices
Please rate your overall experience with the STEW-MAP interactive map	1 Star 2 Stars 3 Stars 4 Stars 5 Stars
What stewardship information do you find most useful on the map?	Contact information for groups Knowing which groups work where (polygons and points) Knowing which groups are connected with others (networks) The ability to filter the dataset The ability to export a spreadsheet of groups and their STEW-MAP survey responses
Is there anything you want to change about the map?	
Are there other aspects of stewardship you want to know about that are not displayed on the map?	
Related to the Fall Season, what are you most interested in?	Suggestions on where to go on national forests and grasslands to see the changing fall colors. The science of fall foliage and why leaves change. How drought and changing environmental conditions effect fall colors. I love to visit our national forests and grasslands year-round, not just in the fall season. I enjoy learning. Tell me what you know about it all.
