## Questionnaire Management Guidelines

### Goals:

- One consolidated document to track all model and CQ changes throughout the life of the project
- Questionnaire always matches the live survey
- Easy and error-free way to submit CQ changes
- All changes tracked and reflected in one document (DOT will help)

### Questionnaire Resources:

## Welcome and Thank You Text

### Directions:

This welcome text is shown at the top of the questionnaire window and the thank you text at the bottom. This is a good place to mention the site/company/agency name so the visitor knows whom they are taking the survey for. Feel free to modify the standard Welcome text shown in the box below.

### Welcome Text

Thank you for visiting our site. You've been randomly chosen to take part in a brief survey to let us know what we're doing well and where we can improve.

Please take a few minutes to share your opinions, which are essential in helping us provide the best online experience possible.

### Thank You Text

Thank you for taking our survey and for helping us serve you better.

Please note you will not receive a response from us based on your survey comments. If you would like us to contact you about your feedback, please visit the Contact Us section of our website.

### Examples

The screenshot shows a browser window titled "ForeSee Results Survey Page - Windows Internet Explorer". The address bar shows the URL: <http://www.foreseeresults.com/survey/display?cid=test&mid=0ltk0Fpkg00h5w>. The page content includes the ForeSee logo, the title "Customer Satisfaction Survey", and a welcome message: "Thank you for visiting our site. You've been randomly chosen to take part in a brief survey to let us know what we're doing well and where we can improve." Below this is a request for feedback: "Please take a few minutes to share your opinions, which are essential in helping us provide the best online experience possible." A note states: "Required questions are denoted by an \*". The first question is: "1: \*Please rate the ability to narrow choices to find the product(s) you are looking for on this site." The response options are a 10-point scale from 1 (Poor) to 10 (Excellent), with a "Don't Know" option.

### Thank You Text Example

The screenshot shows a survey page with two dropdown menus for "Football" and "Hockey", both set to "Please Select". Below them is question 16: "16: What size and style of jean were you shopping for today?". The question is split into two parts: "What size of jean were you shopping for today?" and "What style of jean were you shopping for today?". The size options are radio buttons for 1, 3, 5, 7, 9, 11, and 13. The style options are radio buttons for Boot cut, Low rise, Flare, Relaxed fit, and Slim cut. Below the question is a thank you message: "Thank you for taking our survey - and for helping us serve you better." and a note: "Please note you will not receive a response from us based on your survey comments. If you would like us to contact you about your feedback, please visit the Contact Us section of our web site." At the bottom are "Cancel" and "Submit" buttons. The footer includes "Copyright 2010 - all rights reserved" and links for "ForeSee Results", "Privacy Policy", and "Survey Support". The browser status bar shows "Internet | Protected Mode: On" and "100%".
