1. Program Completion Rate *Percentage of participants who complete the program, of those who enter the program*	PYtD	**Numerator:** # of participants with: 1. Expected Cohort Completion Date in start date of program year in which selected report quarter end date falls through selected report quarter end date **AND** 2. Program Completion Date on or before selected report quarter end date **Denominator:** # of participants with Expected Cohort Completion Date in start date of program year in which selected report quarter end date falls through selected report quarter end date	Enrollment Date Expected Cohort Completion Date Program Completion Date
	CGtD	**Numerator:** # of participants with: 1. Expected Cohort Completion Date in start date of grant period through selected report quarter end date **AND** 2. Program Completion Date on or before selected report quarter end date **Denominator:** # of participants with Expected Cohort Completion Date in start date of grant period through selected report quarter end date	Enrollment Date Expected Cohort Completion Date Program Completion Date
2. High School Diploma Attainment Rate *Of participants who have reached their expected graduation date, percentage who attain a high school diploma*	PQ	**Numerator:** # of participants with: 1. Expected High School Graduation Date in quarter prior to selected report quarter end date **AND** 2. High School Diploma Attainment Date on or before end date of quarter prior to selected report quarter end date **Denominator:** # of participants with Expected High School Graduation Date in quarter prior to selected report quarter end date	H.S. Diploma Attainment Date Expected High School Graduation Date
	CQ	**Numerator:** # of participants with: 1. Expected High School Graduation Date in selected report quarter end date **AND** 2. G. Long Term Performance Indicators

For each data row below, consider only those participants whose Enrollment Status = Complete
For any one participant, consider only those records with an "event" date on or after Enrollment Date. An "event" is defined as Program Service, Internships YCC Course, Short Term Outcome, or Post-Exit Outcome.

Time frames defined as (for data rows 1-4 ONLY):
   Previous Quarter (PQ) = quarter prior to selected report quarter end date
   Current Quarter (CQ) = selected report quarter end date
   Program Year to Date (PYtD) = start date of program year in which selected report quarter end date falls through selected report quarter end date
   Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

3. Industry-Recognized Credential Attainment Rate
 	
Of participants who have reached their expected cohort completion date, percentage who attain an industry-recognized credential during the program
	PQ	**Numerator:** # of participants with:
		  1. Expected Cohort Completion Date in quarter prior to selected report quarter end date **_AND_**
		  2. Is participant in an Ind/Occ focus that can result in a credential during the YCC program = Yes **_AND_**
