Agency Response to 30-Day FRN Comment

The 30-day notice 83 *FR* 52,234 was published in the Federal Register on October 16, 2019. One comment was received from the Equal Employment Opportunity Commission pertaining to definitions used for “disability” and related items.

Students are no longer being enrolled into the YCC program and, therefore, the definition cannot be changed as that was the definition used when they enrolled (this information was under OMB control number 1291-0003). The Participant Tracking System (PTS) under this request is primarily being used to support quarterly data collection updates for grantee performance outcomes. We will take this information into account for future collections.
