

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

B. Grantee Summary Information

For each data row, include only those participants whose Enrollment Status = Complete

Time frames defined as:

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions/Notes:
1. New Participants Enrolled	PQ	Count number of participants with Enrollment Date in quarter prior to selected report quarter end date	Enrollment Date Program Year (for PYtD)	
	CQ	Count number of participants with Enrollment Date in selected report quarter end date		
	PYtD	Count number of participants with Enrollment Date in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with Enrollment Date in start date of grant period through selected report quarter end date		
2. Participants Receiving Program Services	PQ	Count number of participants with: 1. any Program Service Date of Service in quarter prior to selected report quarter end date OR 2. Internship Date Entered in quarter prior to selected report quarter end date OR 3. Internship Date Completed in quarter prior to selected report quarter end date OR 4. YCC Course Date Began in quarter prior to selected report quarter end date	Program Service: Date of Service Program year (for PYtD) Internship Date Began Internship Date Ended YCC Course Date Began	
	CQ	Count number of participants with: 1. any Program Service Date of Service in selected report quarter end date OR 2. Internship Date Entered in selected report quarter end date OR 3. Internship Date Completed in selected report quarter end date OR 4. YCC Course Date Began in selected report quarter end date		
	PYtD	Count number of participants with: 1. any Program Service Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date OR 2. Internship Date Entered in start date of program year in which selected report quarter falls through selected report quarter end date OR 3. Internship Date Completed in start date of program year in which selected report quarter falls through selected report quarter end date OR 4. YCC Course Date Began in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with: 1. any Program Service Date of Service in start date of grant period through selected report quarter end date OR 2. Internship Date Entered in start date of grant period through selected report quarter end date OR 3. Internship Date Completed in start date of grant period through selected report quarter end date OR 4. YCC Course Date Began in start date of grant period through selected report quarter end date		
3. Participants Completed Program	PQ	Count number of participants with Program Completion Date in quarter prior to selected report quarter end date	Exit Reason Program Completion Date Program Year (for PYtD)	
	CQ	Count number of participants with Program Completion Date in selected report quarter end date		
	PYtD	Count number of participants with Program Completion Date in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with Program Completion Date in start date of grant period through selected report quarter end date		
4. Participants Exited Program	PQ	Count number of participants with Exit Date in quarter prior to selected report quarter end date	Exit Reason Exit Date Program Year (for PYtD)	
	CQ	Count number of participants with Exit Date in selected report quarter end date		
	PYtD	Count number of participants with Exit Date in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with Exit Date in start date of grant period through selected report quarter end date		

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

C. Participant Summary Information

For each data row:

- include only those participants whose Enrollment Status = Complete
- count number of participants with Enrollment Date in the specified time frame

Time frames defined as:

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions:
Gender 1a. Male	All	AND Gender = Male	Enrollment Date Program Year (for PYtD) Gender	
Gender 1b. Female	All	AND Gender = Female	Enrollment Date Program Year (for PYtD) Gender	
Ethnicity/Race 2a. Hispanic/Latino	All	AND Ethnicity = Hispanic or Latino	Enrollment Date Program Year (for PYtD) Ethnicity	
Ethnicity/Race 2b. American Indian or Alaska Native	All	AND Race = American Indian or Alaska Native	Enrollment Date Program Year (for PYtD) Ethnicity	
Ethnicity/Race 2c. Asian	All	AND Ethnicity = Asian	Enrollment Date Program Year (for PYtD) Ethnicity	
Ethnicity/Race 2d. Black or African American	All	AND Ethnicity = Black or African American	Enrollment Date Program Year (for PYtD) Ethnicity	
Ethnicity/Race 2e. Native Hawaiian or Other Pacific Islander	All	AND Ethnicity = Native Hawaiian or Other Pacific Islander	Enrollment Date Program Year (for PYtD) Ethnicity	
Ethnicity/Race 2f. White	All	AND Ethnicity = White	Enrollment Date Program Year (for PYtD) Ethnicity	
Ethnicity/Race 2g. More Than One Race	All	AND 2 or more of the following: American Indian or Alaska Native Asian Black or African American Native Hawaiian or Other Pacific Islander White	Enrollment Date Program Year (for PYtD) Race Ethnicity	
Other Demographics 3a. Eligible Veteran	All	AND Eligible Veteran Status = (Yes, <=180 days OR Yes, Eligible Veteran OR Yes, Other Eligible Person)	Enrollment Date Program Year (for PYtD) Eligible Veteran Status	
Other Demographics 3b. Individuals with a Disability	All	AND Disability = Yes	Enrollment Date Program Year (for PYtD) Disability	

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

C. Participant Summary Information

For each data row:

1. include only those participants whose Enrollment Status = Complete
2. count number of participants with Enrollment Date in the specified time frame

Time frames defined as:

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions:
Other Demographics 3c. Homeless/Runaway	All	<u>AND</u> Homeless Individual and/or Runaway Youth = Yes	Enrollment Date Program Year (for PYtD) Homeless Individual and/or Runaway Youth	
Other Demographics 3d. Offender	All	<u>AND</u> Offender = Yes	Enrollment Date Program Year (for PYtD) Offender	
Other Demographics 3e. Low Income	All	<u>AND</u> Low Income (Free/Reduced Lunch Eligible) = (Free lunch program eligible OR Reduced lunch program eligible)	Enrollment Date Program Year (for PYtD) Low Income (Free/Reduced Lunch Eligible)	
Other Demographics 3f. Limited English Language Proficiency	All	<u>AND</u> Limited English Language Proficiency = Yes	Enrollment Date Program Year (for PYtD) Limited English Language Proficiency	
Other Demographics 3g. Pregnant/Parenting Youth	All	<u>AND</u> Pregnant or Parenting Youth = Yes	Enrollment Date Program Year (for PYtD) Pregnant or Parenting Youth	
Other Demographics 3h. Foster Youth	All	<u>AND</u> Foster Care Youth = Yes	Enrollment Date Program Year (for PYtD) Foster Care Youth	
Grade at time of Enrollment 4a. 9th Grade	All	<u>AND</u> Grade at time of Enrollment = 9th grade	Enrollment Date Program Year (for PYtD) Grade at time of Enrollment	
Grade at time of Enrollment 4b. 10th Grade	All	<u>AND</u> Grade at time of Enrollment = 10th grade	Enrollment Date Program Year (for PYtD) Grade at time of Enrollment	
Grade at time of Enrollment 4c. 11th Grade	All	<u>AND</u> Grade at time of Enrollment = 11th grade	Enrollment Date Program Year (for PYtD) Grade at time of Enrollment	

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

D. Program Services

For each data row:

- include only those participants whose Enrollment Status = Complete
- for any one participant, consider only those Program Services with Date of Service between Enrollment Date and Exit Date, inclusive

Time frames defined as:

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions:
1. Number of Professional Development Activities Conducted	PQ	Count number of Professional Development Activity Records with Activity Date in quarter prior to selected report quarter end date	Professional Development Activities Activity Date Program Year (for PYtD)	
	CQ	Count number of Professional Development Activity Records with Activity Date in selected report quarter end date		
	PYtD	Count number of Professional Development Activity Records with Activity Date in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of Professional Development Activity Records with Activity Date in start date of grant period through selected report quarter end date		
2. Number of Students Participated in Career/Academic Counseling	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Career/Academic Counseling AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)	
	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Career/Academic Counseling AND 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Career/Academic Counseling AND 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Career/Academic Counseling AND 2. Date of Service in start date of grant period through selected report quarter end date		
3. Number of Students Participated in Community Service Learning	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Community Service Learning AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)	
	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Community Service Learning AND 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Community Service Learning AND 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Community Service Learning AND 2. Date of Service in start date of grant period through selected report quarter end date		
4. Number of Students Participated in Mentoring	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Mentoring AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)

	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Mentoring AND 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Mentoring AND 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Mentoring AND 2. Date of Service in start date of grant period through selected report quarter end date		
5. Number of Students Participated in Work Experience	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Work Experience Activity AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)	
	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Work Experience Activity AND 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Work Experience Activity AND 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Work Experience Activity AND 2. Date of Service in start date of grant period through selected report quarter end date		
6. Number of Students Participated in Leadership Development	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Leadership Development AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)	
	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Leadership Development AND 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Leadership Development AND 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Leadership Development AND 2. Date of Service in start date of grant period through selected report quarter end date		

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

D. Program Services

For each data row:

1. include only those participants whose Enrollment Status = Complete
2. for any one participant, consider only those Program Services with Date of Service between Enrollment Date and Exit Date, inclusive

Time frames defined as:

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions:
7. Number of Students who Received Supportive Services	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Support Service AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)	
	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Support Service AND 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Support Service AND 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Support Service AND 2. Date of Service in start date of grant period through selected report quarter end date		
8. Number of Students Participated in Internship	PQ	Count number of participants with: 1. <u>one or more</u> Program Service records having Service Category = Internship AND Date of Service in quarter prior to selected report quarter end date OR 2. Internship Date Entered in quarter prior to selected report quarter end date OR 3. Internship Date Completed in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD) Internships: Date Entered Internships: Date Completed	
	CQ	Count number of participants with: 1. <u>one or more</u> Program Service records having a Service Category = Internship AND Date of Service in selected report quarter end date OR 2. Internship Date Entered in selected report quarter end date OR 3. Internship Date Completed in selected report quarter end date		
	PYtD	Count number of participants with: 1. <u>one or more</u> Program Service records having a Service Category = Internship AND Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date OR 2. Internship Date Entered in start date of program year in which selected report quarter falls through selected report quarter end date OR 3. Internship Date Completed in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with: 1. <u>one or more</u> Program Service records having a Service Category = Internship AND Date of Service in start date of grant period through selected report quarter end date OR 2. Internship Date Entered in start date of grant period through selected report quarter end date OR 3. Internship Date Completed in start date of grant period through selected report quarter end date		
9. Number of Students Participated in Employer Provided Services	PQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Employer Service in School AND 2. Date of Service in quarter prior to selected report quarter end date	Program Service: Service Category Program Service: Date of Service Program Year (for PYtD)	

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

D. Program Services

For each data row:

- include only those participants whose Enrollment Status = Complete
- for any one participant, consider only those Program Services with Date of Service between Enrollment Date and Exit Date, inclusive

Time frames defined as:

- Previous Quarter (PQ) = quarter prior to selected report quarter end date

- Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions:
	CQ	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Employer Service in School <u>AND</u> 2. Date of Service in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Employer Service in School <u>AND</u> 2. Date of Service in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Program Service records having: 1. Service Category = Employer Service in School <u>AND</u> 2. Date of Service in start date of grant period through selected report quarter end date		
10. Number of Students Entered Industry-Specific YCC Courses	PQ	Count number of participants with <u>one or more</u> Industry-Specific YCC Course records having a Date Began in quarter prior to selected report quarter end date	Industry-Specific YCC Course: Date Began Program Year (for PYtD)	
	CQ	Count number of participants with <u>one or more</u> Industry-Specific YCC Course records having a Date Began in selected report quarter end date		
	PYtD	Count number of participants with <u>one or more</u> Industry-Specific YCC Course records having a Date Began in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of participants with <u>one or more</u> Industry-Specific YCC Course records having a Date Began in start date of grant period through selected report quarter end date		

Youth CareerConnect Aggregation Rules for Calculating the Quarterly Performance Report

E.i. Participant Activities

For each data row:

1. include only those participants whose Enrollment Status = Complete

2. for any one participant, consider only those records with an "event" date on or after Enrollment Date. An "event" is defined as Program Service, Internships YCC Course, Short Term Outcome, or Post-Exit Outcome.

Time frames defined as:

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

Indicator Name	Time Period	Calculation	PTS Fields used:	Questions:
1. Number of Students who Entered Unsubsidized Employment	PQ	Count number of Participants with Post Exit Outcome (PEO) Unsubsidized Employment Date Entered in quarter prior to selected report quarter end date	PEO Unsubsidized Employment Date Entered Program Year (for PYtD)	
	CQ	Count number of Participants with PEO Unsubsidized Employment Date Entered in selected report quarter end date		
	PYtD	Count number of Participants with PEO Unsubsidized Employment Date Entered in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of Participants with PEO Unsubsidized Employment Date Entered in start date of grant period through selected report quarter end date		
2. Number of Students who Entered Training-Related Employment	PQ	Count number of Participants with PEO Unsubsidized Employment record with: 1. Training Related = Yes AND 2. Date Entered in quarter prior to selected report quarter end date	PEO Unsubsidized Employment: Date Entered Training Related? Program Year (for PYtD)	
	CQ	Count number of Participants with PEO Unsubsidized Employment record with: 1. Training Related = Yes AND 2. Date Entered in selected report quarter end date		
	PYtD	Count number of Participants with PEO Unsubsidized Employment record with: 1. Training Related = Yes AND 2. Date Entered in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of Participants with PEO Unsubsidized Employment record with: 1. Training Related = Yes AND 2. Date Entered in start date of grant period through selected report quarter end date		
3. Number of Students who Entered Long-Term Occupational Skills Training	PQ	Count number of Participants with PEO Occupational Skills Training Date Entered in quarter prior to selected report quarter end date	PEO Occupational Skills Training Date Entered Program Year (for PYtD)	
	CQ	Count number of Participants with PEO Occupational Skills Training Date Entered in selected report quarter end date		
	PYtD	Count number of Participants with PEO Occupational Skills Training Date Entered in start date of program year in which selected report quarter falls through selected report quarter end date		
	CGtD	Count number of Participants with PEO Occupational Skills Training Date Entered in start date of grant period through selected report quarter end date		
4. Number of Students who Entered Post-Secondary Education	PQ	Count number of Participants with: 1. PEO Post-Secondary Education Date Entered in quarter prior to selected report quarter end date OR 2. Date First Entered Post-Secondary School in quarter prior to selected report quarter end date	PEO Post-Secondary Education Date Entered Program Year (for PYtD)	
	CQ	Count number of Participants with: 1. PEO Post-Secondary Education Date Entered in selected report quarter end date OR 2. Date First Entered Post-Secondary School in selected report quarter end date

G. Long Term Performance Indicators

For each data row below, consider only those participants whose Enrollment Status = Complete

For any one participant, consider only those records with an "event" date on or after Enrollment Date. An "event" is defined as Program Service, Internships YCC Course, Short Term Outcome, or Post-Exit Outcome.

Time frames defined as (for data rows 1-4 ONLY):

Previous Quarter (PQ) = quarter prior to selected report quarter end date

Current Quarter (CQ) = selected report quarter end date

Program Year to Date (PYtD) = start date of program year in which selected report quarter end date falls through selected report quarter end date

Cumulative Grant to Date (CGtD) = start date of grant period through selected report quarter end date

<p>percentage who attain a high school diploma and credential</p>	CQ	<p>Numerator: # of participants with:</p> <ol style="list-style-type: none"> Expected Cohort Completion Date in selected report quarter end date AND Is participant in an Ind/Occ focus that can result in a credential during the YCC program = Yes AND Recognized Credential Attainment Date before Exit Date AND High School Diploma Attainment Date on or before selected report quarter end date <p>Denominator: # of participants with:</p> <ol style="list-style-type: none"> Expected Cohort Completion Date in selected report quarter end date AND Is participant in an Ind/Occ focus that can result in a credential during the YCC program = Yes 	<p>H.S.
