

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do **not** rely on draft forms, instructions, and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms), and may remain there even after the final release is posted at [IRS.gov/DownloadForms](https://www.irs.gov/DownloadForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication also has its own page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Publication 17 page is at [IRS.gov/Pub17](https://www.irs.gov/Pub17); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not in a Search box. Note that these are friendly shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Who Must File

If the corporation claims a credit for any income taxes paid, accrued, or deemed paid during the tax year on combined foreign oil and gas income, the amount of such taxes eligible for credit may be reduced.

Method of Reporting

Report all amounts in U.S. dollars. If it is necessary to convert from foreign currency, attach a statement explaining how the rate was determined.

Specific Instructions

Codes at top of page 1. On line a, enter the same separate category code as that shown on the Form 1118 to which this Schedule I is attached.

Part I

See section 907(c) and underlying regulations for rules on the income to include in Part I.

Note: Do not include any dividend or interest income that is passive income. See the Instructions for Form 1118 for the definition of passive income.

Column 1(a). For information pertaining to the entry of EINs and reference ID numbers, see Identifying Numbers in the separate instructions for Form 1118.

Column 1(b). Enter the two-letter codes (from the list at www.irs.gov/CountryCodes) of all foreign countries and U.S. possessions within which income is sourced and/or to which taxes were paid, accrued, or deemed paid.

Column 2. Enter gross income from sources outside the United States and its possessions from the following.

- The extraction (by the corporation or any other person) of minerals from oil or gas wells located outside the United States and its possessions.
The sale or exchange of assets used in the trade or business of extracting minerals from oil or gas wells located outside the United States and its possessions.

See section 907(c)(1).

Column 3. Enter gross income from sources outside the United States and its possessions from the following.

- The processing of minerals extracted (by the corporation or any other person) from oil or gas wells into their primary products.
The transportation of such minerals or primary products.
The distribution or sale of such minerals or primary products.
The disposition of assets used in the trade or business described in the three previous bulleted items.
The performance of any other related service.

See section 907(c)(2).

Column 4. With respect to dividends from foreign corporations with tax years beginning on or before December 31, 2017, enter dividends (including section 78 gross-up) from a foreign corporation on which taxes are deemed paid under section 902 only if the dividends are paid out of foreign oil and gas extraction income or foreign oil related income of the distributing corporation and are not passive income.

Column 5. Enter amounts taxable under section 951(a) or 951A (including section 78 gross-up) that are attributable to the controlled foreign corporation's combined foreign oil and gas income.

Column 6. Include the corporation's distributive share of partnership combined foreign oil and gas income. With respect to foreign corporations with tax years beginning on or before December 31, 2017, also include in column 6 interest income paid by a foreign corporation during such year on which taxes are deemed paid under section 902, to the extent it is paid out of foreign oil related income.

See section 907(c)(3).

Columns 8 and 9. Enter the deductions allocated and apportioned to foreign oil and gas income in the separate category. See the regulations under section 861.

Column 11. For each country, subtract column 10 from column 7 and enter the result in column 11. When totaling the column 11 amounts, note that a taxable loss from a foreign country offsets taxable income from other countries.

Columns 12 and 13. Attach a schedule to show how the foreign taxes paid, accrued, or deemed paid with respect to combined foreign oil and gas income were figured.

Part II

Line 1. Enter the total from Part I, column 11, minus any recapture described in section 907(c)(4).

Line 2. At the time this schedule went to print, the highest rate of tax specified under section 11(b) was 21%.

Part III

Line 2. Enter the sum of any carryover of foreign oil and gas tax to the current year. Attach a schedule showing the computation in detail. Corporations are encouraged to attach a schedule that is similar to Schedule K (Form 1118), which is used to report a running balance of the corporation's section 904(c) carryovers.
