

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do **not** rely on draft forms, instructions, and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms), and may remain there even after the final release is posted at [IRS.gov/DownloadForms](https://www.irs.gov/DownloadForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication also has its own page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Publication 17 page is at [IRS.gov/Pub17](https://www.irs.gov/Pub17); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not in a Search box. Note that these are friendly shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

Future Developments

For the latest information about developments related to Form 8825 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8825.

Which Version To Use

Use this November 2018 revision of Form 8825 for tax years beginning in 2018 or later, until a later revision is issued. Use prior revisions of this form for earlier tax years. All revisions are available at www.irs.gov/Form8825.

What's New

- The Tax Reform Act of 2017 amended section 163(j) to reflect a limitation on business interest expense. For tax years beginning after December 31, 2017, business interest expense may be limited for certain taxpayers. See the instructions for line 9.
- The Bipartisan Budget Act of 2015 repealed the electing large partnership rules for tax years beginning after 2017. As a result, the references to Form 1065-B, U.S. Return of Income for Electing Large Partnerships, were removed.

Purpose of Form

Partnerships and S corporations use Form 8825 to report income and deductible expenses from rental real estate activities, including net income (loss) from rental real estate activities that flow through from partnerships, estates, or trusts.

Before completing this form, be sure to read the following.

- *Passive Activity Limitations* in the instructions for Form 1065 or Form 1120S, especially for the definition of "rental activity."
- *Extraterritorial Income Exclusion* in the instructions for Form 1065 or 1120S.

Specific Instructions

Form 8825 provides space for up to eight properties. If there are more than eight properties, attach additional Forms 8825.

The number of columns to be used for reporting income and expenses on this form may differ from the number of rental real estate activities the partnership or S corporation has for purposes of the passive activity limitations. For example, a partnership

owns two apartment buildings, each located in a different city. For purposes of the passive activity limitations, the partnership grouped both buildings into a single activity. Although the partnership has only one rental real estate activity for purposes of the passive activity limitations, it must report the income and deductions for each building in separate columns.

However, if the partnership or S corporation has more than one rental real estate activity for purposes of the passive activity limitations, attach a statement to Schedule K that reports the net income (loss) for each separate activity. Also, attach a statement to each Schedule K-1 that reports each partner's or shareholder's share of the net income (loss) by separate activity. See *Passive Activity Reporting Requirements* in the instructions for Form 1065 or Form 1120S for additional information that must be provided for each activity.

Complete lines 1 through 17 for each property. But complete lines 18a through 21 on only one Form 8825. The figures on lines 18a and 18b should be the combined totals for all forms.

Do not report on Form 8825 any of the following.

- Income or deductions from a trade or business activity or a rental activity other than rental real estate. These items are reported elsewhere.
- Portfolio income or deductions.
- Section 179 expense deduction.
- Other items that must be reported separately to the partners or shareholders.
- Commercial revitalization deductions.

Line 1. For each property, give the street address, city or town, and zip code. If the property is located outside the United States, give the postal code and country. Specify the type of property by entering one of the following codes in the "Type" column.

Codes

- 1—Single Family Residence
- 2—Multi-Family Residence
- 3—Vacation or Short-Term Rental
- 4—Commercial
- 5—Land
- 6—Royalties
- 7—Self-Rental
- 8—Other (include description with the code on Form 8825 or on a separate statement)

For each property, enter the number of days rented at fair rental value and days with personal use. For details, see section 280A.

Line 9. Your interest expense may be limited. See the instructions for Form 8990, Business Interest Expense Limitation Under Section 163(j), for more information.

Line 14. The partnership or S corporation may claim a depreciation deduction each year for rental property (except for land, which is not depreciable). If the partnership or S corporation placed property in service during the current tax year or claimed depreciation on any vehicle or other listed property, complete and attach Form 4562, Depreciation and Amortization. See Form 4562 and its instructions to figure the depreciation deduction.
