

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do **not** rely on draft forms, instructions, and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms), and may remain there even after the final release is posted at [IRS.gov/DownloadForms](https://www.irs.gov/DownloadForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication also has its own page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Publication 17 page is at [IRS.gov/Pub17](https://www.irs.gov/Pub17); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not in a Search box. Note that these are friendly shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form 8610 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8610.

What's New

The population component of the state housing credit ceiling for 2018 is the greater of \$2.70 times the state's population or \$3,105,000.

Purpose of Form

Housing credit agencies use Form 8610 to transmit Forms 8609, Low-Income Housing Credit Allocation and Certification, and Schedules A (Form 8610) to the IRS. Form 8610 is also used to report the dollar amount of housing credits allocated during the calendar year. The housing credit agency must not allocate more credits than it is authorized to allocate during the calendar year.

Generally, the state housing credit ceiling for 2018 for any state is the sum of:

1. The larger of \$3,105,000 or \$2.70 multiplied by the state's population;
2. The amount of state housing credit ceiling returned in 2018 from allocations made prior to 2018;
3. The amount, if any, allocated to the state from the National Pool; plus
4. The unused state housing credit ceiling, if any, for 2017.

See Regulations section 1.42-14 for more information.

Who Must File

Any housing credit agency authorized to make an allocation of the credit (even if no credit is actually allocated) on a Form 8609 or carryover allocation reported on a Schedule A (Form 8610) to an owner of a qualified low-income building during the calendar year must complete and file Form 8610. In states with multiple housing credit agencies (including states with constitutional home rule cities), the agencies must coordinate and file one Form 8610.

If a housing credit agency has granted any project relief for carryover allocations discussed in section 6 of Rev. Proc. 2014-49, 2014-37 I.R.B. 535, the agency must attach to Form 8610 a copy of the Schedule A (Form 8610) for the projects for which it has approved relief. These attached copies of Schedule A (Form 8610) must have the box checked that indicates the housing credit agency granted carryover allocation relief under Rev. Proc. 2014-49. The housing credit agency should only include Schedules A (Form 8610) for projects receiving approval of the carryover allocation relief since the agency last filed Form 8610. The information from these particular Schedules A (Form 8610) isn't included on any line in Part I or Part II of Form 8610.

If a housing credit agency has granted any project relief to toll the beginning of the first year of the credit period as discussed in section 10 of Rev. Proc. 2014-49, the agency must attach to the Form 8610 filed for the calendar year in which the President declared the area a major disaster area a statement containing the following information: (1) the name, address, and TIN of the building owner; (2) the address of the building; (3) the building identification number (BIN); and (4) the agency-approved first year of the credit period. The statement should be labeled "Relief Under Section 10 of Rev. Proc. 2014-49." The statement should be signed by an agency authorized official and a copy of the statement should be provided to the building owner.

When To File

File the 2018 Form 8610 with accompanying Forms 8609 (with only Part I completed) and Schedules A (Form 8610) by February 28, 2019.

Where To File

File Form 8610 and attached forms and schedules with:

Department of the Treasury
Internal Revenue Service Center
Philadelphia, PA 19255-0549

Penalty

The \$100 penalty under section 6652(j) applies to any failure to file Form 8610 when due.

Specific Instructions

Note: The primary housing credit agency may rely on information provided by any constitutional home rule city or local housing credit agency under Temporary Regulations section 1.42-1T(c)(3) or (4).

To ensure that Form 8610 is correctly processed, attach all forms and schedules to Form 8610 in the following order.

1. Forms 8609.
2. Schedules A (Form 8610), not including those for projects approved for carryover allocation relief under Rev. Proc. 2014-49.
3. Schedules A (Form 8610) for projects approved for carryover allocation relief under Rev. Proc. 2014-49.
