[OMB Control Number 1615-0001]

Agency Information Collection Activities; Extension, Without  
Change, of a Currently Approved Collection

AGENCY: U.S. Citizenship and Immigration Services, Department of  
Homeland Security.

ACTION: 60-Day notice.

-----  
SUMMARY: The Department of Homeland Security (DHS), U.S. Citizenship  
and Immigration (USCIS) invites the general public and other Federal  
agencies to comment upon this proposed extension of a currently  
approved collection of information. In accordance with the Paperwork  
Reduction Act (PRA) of 1995, the information collection notice is  
published in the Federal Register to obtain comments regarding the  
nature of the information collection, the categories of respondents,  
the estimated burden (i.e. the time, effort, and resources used by the  
respondents to respond), the estimated cost to the respondent, and the  
actual information collection instruments.

#### SUPPLEMENTARY INFORMATION:

##### Comments

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2006-0028 in the search box. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
