Notes

The footnotes in the supporting statement are omitted here for brevity. Additional rows have been added splitting the reporting and recordkeeping burden & cost for the appropriate Requirements ("R"). This makes it easier to read, however the figures have not been changed from the supporting statement unless otherwise noted.

Note that part of the figures here in cell E16 were inadvertently omitted from the cell in the table in the supporting statement.

Note that rows 17 & 18 are added here to show the sub-totals, but they weren't needed in the supporting statement.
