**INFORMATION TO AID IN THE COMPLETION OF THE FAA ENTRY POINT
FILING FORM FOR THE INTERNATIONAL REGISTRY**

For parties wishing to obtain an authorization code to transmit information to the International Registry, AC Form 8050-135 must be submitted to the FAA Aircraft Registry.

The minimum requirements to complete each section are as follows:

PARTY: The complete name, address and telephone number of at least one of the parties to the conveyance or prospective conveyance must be shown. The party may also include their electronic address, if applicable.

COLLATERAL: A complete description of all affected collateral must be shown including the make, model, serial number, and U.S. registration/identification number, if applicable. If more space is required, additional collateral may be listed on an attachment, and the appropriate block checked on the form.

TYPE OF INTEREST: Check the appropriate block for the type of interest. At least one block must be checked.

SUBMITTED BY: Show name, address, and telephone number of the submitter.

An incomplete submission will prevent or delay issuance of an authorization code.

This form may be completed manually or online and faxed or mailed to the above address. Forms submitted via courier service should be sent to the following address:

Federal Aviation Administration
Aircraft Registration Branch, AFS-750
Registry Building, Room 118
6425 S. Denning Ave.

Paperwork Reduction Act Burden Statement: A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0697. Public reporting for this collection of information is estimated to be 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required to obtain a unique transmittal authorization code from the Civil Aviation Registry, which Congress has designated as the exclusive US Entry Point for transmissions to the International Registry. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524.
