

pricing date, the entire procedure will be completed before the next notification is sent out to shareholders, thus avoiding any overlap. Applicants believe that these procedures will eliminate any possibility of investor confusion. Applicants also state that monthly repurchase offers will be a fundamental feature of the Funds, and their prospectuses will provide a clear explanation of the repurchase program.

7. Applicants submit that for the reasons given above the requested relief is appropriate in the public interest and is consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

Applicants' Conditions

Applicants agree that any order granting the requested relief shall be subject to the following conditions:

1. The Fund (and any Future Fund relying on this relief) will make a repurchase offer pursuant to rule 23c-3(b) for a repurchase offer amount of not less than 5% in any one-month period. In addition, the repurchase offer amount for the then-current monthly period, plus the repurchase offer amounts for the two monthly periods immediately preceding the then-current monthly period, will not exceed 25% of the Fund's (or Future Fund's, as applicable) outstanding common shares. The Fund (and any Future Fund relying on this relief) may repurchase additional tendered shares pursuant to rule 23c-3(b)(5) only to the extent the percentage of additional shares so repurchased does not exceed 2% in any three-month period.

2. Payment for repurchased shares will occur at least five business days before notification of the next repurchase offer is sent to shareholders of the Fund (or Future Fund relying on this relief).

For the Commission, by the Division of Investment Management, under delegated authority.

Rule 206(4)-3, SEC File No. 270-218, OMB Control No. 3235-0242

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 206(4)-3 (17 CFR 275.206(4)-3) under the Investment Advisers Act of 1940, which is entitled "Cash Payments for Client Solicitations," provides restrictions on cash payments for client solicitations. The rule requires that an adviser pay all solicitors' fees pursuant to a written agreement. When an adviser will provide only impersonal advisory services to the prospective client, the rule imposes no disclosure requirements. When the solicitor is affiliated with the adviser and the adviser will provide individualized advisory services to the prospective client, the solicitor must, at the time of the solicitation or referral, indicate to the prospective client that he is affiliated with the adviser. When the solicitor is not affiliated with the adviser and the adviser will provide individualized advisory services to the prospective client, the solicitor must, at the time of the solicitation or referral, provide the prospective client with a copy of the adviser's brochure and a disclosure document containing information specified in rule 206(4)-3. Amendments to rule 206(4)-3, adopted in 2010 in connection with rule 206(4)-5, specify that solicitation activities involving a government entity, as defined in rule 206(4)-5, are subject to the additional limitations of rule 206(4)-5. The information rule 206(4)-3 requires is necessary to inform advisory clients about the nature of the solicitor's financial interest in the recommendation so the prospective clients may consider the solicitor's potential bias, and to protect clients against solicitation activities being carried out in a manner inconsistent with the adviser's fiduciary duty to clients. Rule 206(4)-3 is applicable to all Commission-registered investment advisers. The Commission believes that approximately 4,395 of these advisers have cash referral fee arrangements. The rule requires approximately 7.04 burden hours per year per adviser and results in a total of approximately 30,941 total burden hours (7.04 × 4,395) for all advisers.
