Service**

Dear Public Land Manager :

Several weeks ago we sent you a questionnaire inviting you to participate in the National Public Forest Land Survey. You may have intended to complete the questionnaire but perhaps misplaced it or simply forget about it. If you have already completed the questionnaire, we apologize for contacting you again, sincerely thank you for your participation, and ask that you disregard this mailing.

However, if you have not returned your questionnaire, we ask you to consider doing so now. On average, the survey takes 15 minutes to complete.

Your participation is voluntary, but because of the limited number of landowners asked to participate in the survey, your answers are especially important. This survey is conducted once every 5 years. If you responded during the last cycle, we ask that you respond again.

Your responses will be kept strictly confidential, and will be combined with those of others. The results will be used by policy makers, land managers, and public and private service providers to better understand and address issues that are important to land managers like yourself.

If your agency does not currently manage land, respond to this email saying "No Land."

If you have questions regarding the survey, please call us toll-free at 1-855-233-3372, visit our website at [www.fia.fs.fed.us/nlos](http://www.fia.fs.fed.us/nlos), or write us at USDA Forest Service, National Public Forest Land Survey, 160 Holdsworth Way, Amherst MA 01003.

A handwritten signature in black ink that reads "Brett J. Butler".

Brett J. Butler, Survey Director
