Dairy Listing Module (DLM) Common Page Components

After the external user has logged in on the FDA's Unified Registration Listing System (FURLS) Online Account Administration (OAA) page and given their account access to the "Dairy Listing Module", choose the link "Dairy Listing Module" from the list of systems available on the FURLS home page. This will take you to the webpage "DLM Main Menu" with the banner "DAIRY LISTING MODULE". Each screen in the DLM electronic submission process has this banner.

At the top right of each page are the links "FURLS Home", which will take you to the FURLS home page, and "DLM Home," which will take you to the DLM Main Menu. Choose the link "FURLS Home" to log out.

To submit an application for a new facility to be added to the dairy list, select the link "Enter New Application" (see "Enter New Application: Figure 1")

The screens throughout the DLM online application process will have the following features:

1. At the top of every screen is a status bar that will track your progress through each step of the process.
2. A "?" Get-Help icon above the menu bar on the right side of the page will provide help. For an overview of all the help files available, see the FDA Industry Systems Index of Help Pages available separately through the "?"Get-Help icon.
3. A "Print" icon which prints the screen displayed on the browser.
4. At the bottom of each screen you will see 1, 2 or 3 navigation buttons; depending on the step in the online application process.
 - a. "Previous" will take you back one step in the process to the previous section of the application. Please note that unsaved information entered on the form is lost if you press the "Previous" button.
 - b. "Next" takes you to the next screen for entering application data.
 - c. "Cancel" takes the user back to the DLM Main Menu. (Will be added to all applicable screens).
 - d. In the last step, the button labeled "Submit" on the bottom far right submits the application to the FDA.

Welcome to the Dairy Listing Module (DLM)

OMB Number : 0910-0509
OMB Expiration Date : 9/30/2017

Paperwork Reduction Act

According to the Paperwork Reduction Act of 1995, a collection of information should display a valid Office of Management and Budget (OMB) control number. The valid OMB control number for this information collection is 0910-0509 (Expires 9/30/2017). The time required to complete this information collection is estimated to average 90 minutes for an initial request, 60 minutes for a Biennial Update and 30 minutes for an occasional update, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. Send comments regarding this burden estimate or suggestions for reducing this burden to:

Food and Drug Administration
CFSAN (HFS-306)
5100 Campus Drive
College Park, MD 20740

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Please Note: The system will automatically timeout if there is no activity within 30 minutes.

FFRM Registration

FFRM Registration

In order to apply to DLM, you must have first registered your facility that manufactures the dairy product in the Food Facility Registration Module (FFRM). You will need the FFRM Registration Number and PIN Number that you received when you registered your manufacturing facility.

If you have not registered the facility in FFRM, please select OAA and go to FFRM to register.

If you do not have access to the FFRM in FURLS, please select OAA to edit your account profile to get access to FFRM.

If you have registered in FFRM and you have a current and a valid FFRM registration, enter your FFRM Registration Number and PIN Number below. If you do not remember your FFRM Registration Number and PIN Number, please select OAA and go to FFRM.

If you have any questions please contact the FDA Industry Systems Help Desk by selecting help.

If there are no changes to the product listing, then the user confirms their choice by selecting the “There are no changes to this Product List”. If user would like to edit product information, they can click on the pencil icon to edit the product.

The screenshot shows a web browser window with the URL 'http://DLM'. The page header includes the U.S. Department of Health and Human Services logo, the FDA FURLS logo, and the text 'DAIRY LISTING MODULE (DLM)'. Navigation links for 'FURLS Home' and 'DLM Home' are present. A sidebar on the left contains a menu with options: 'DLM Home', 'Enter New Application', 'Edit Application', and 'Biennial Update' (which is highlighted). The main content area has a progress bar with four steps: 'Business Information', 'Country/Product Information' (the current step), 'Review', and 'Signature'. Below the progress bar is the 'Product List' section. It includes a 'Product List' label, a 'Facility Details' section with 'Facility Name: ABC' and 'Facility Address: N2915 Elm Road, Luxembourg, WI 54217', and a checkbox labeled 'There are no changes to this Product List'. An '+Add Product' button is located to the right of the table. The table lists three products from Chile: two 'Modified Milk' products (ABC Skim Milk) and one 'Pasteurized Milk' product (ABC Whole Milk). Each row has a pencil icon for editing and a red 'X' icon for deletion. At the bottom of the table area are 'Previous' and 'Next' buttons.

Country	Animal Origin	Product Category	Product Name	Action
Chile	Bovine	Modified Milk	ABC Skim Milk	
Chile	Bovinoe	Modified Milk	ABC Skim Milk	
Chile	Bovine	Pasteurized Milk	ABC Whole Milk
