Note: For the purposes of this grant program, rural is defined as all counties that are not designated as parts of metropolitan areas (Mas) by the Office of Management and Budget (OMB). In addition, we use Rural Urban Commuting Area Codes (RUCAs) to designate rural areas within Mas. This rural definition can be accessed at <https://datawarehouse.hrsa.gov/tools/analyzers/geo/Rural.aspx>. If the county is not entirely rural or urban, follow the link for "Check Rural Health Grants Eligibility by Address" to determine if a specific site qualifies as rural based on its specific census tract within an otherwise urban county.

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0915-XXXX. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N39, Rockville, Maryland, 20857
