Social Security Administration Representative Payee Report of Benefits and Dedicated Account

Why You Received This Form

We must regularly review how representative payees used the benefits they received on behalf of Social Security and/or Supplemental Security Income (SSI) beneficiaries. We do this to ensure the benefits are used properly.

When you were appointed representative payee, you were required to establish a separate (we refer to it as a **dedicated**) account in which we direct deposited certain past-due SSI benefits. You were informed of the duties and responsibilities of a representative payee, including keeping a record of all the money taken from the dedicated account and receipts for all the items and/or services purchased. We must regularly review this account for additional deposits and to ensure that the items and/or services purchased are in compliance with the law. As part of this review, you need to answer the questions on the enclosed form. It is called Representative Payee Report of Benefits and Dedicated Account, SSA-6233-BK.

You should keep these records (e.g. bank statements and canceled checks) along with receipts for two years from the time you complete the form. Do not submit any records with the completed form. If we have any questions, we will contact you.

What You Need To Do

Please read the instructions below before you complete the report. Then, complete the report and send it to us in the enclosed envelope within 30 days. If you do not return it promptly, we may stop sending payments to you.

General Information

To help us process your report, please follow these instructions:

- 1. Do not use dollar signs.
- 2. Show money amounts in dollars only. Do not show cents. For example, show \$1,540.30 like this:

DOLLAR AMOUNT

1,540

3. Be sure you, the representative payee, sign the form.

Some Definitions To Help You

Benefits - The Social Security and/or SSI money you receive.

Payee - You. The person (or organization) who receives Social Security and/or SSI benefits for someone else.

Beneficiary - The person for whom you receive Social Security and/or SSI benefits.

Legal Guardian - The person or organization appointed by a State court to manage the affairs of a beneficiary.

Some Definitions To Help You (Continued)

Report Period - The 12-month period shown on the report for which you must account for the benefits you received and report on the dedicated account.

Total Accountable Benefit Amount - The amount of benefits paid to you during the report period **plus** any amount you reported as saved on last year's report. **Note:** This amount **does not** include any SSI past-due benefits SSA deposited into the dedicated account.

Dedicated Account - This is the savings, checking or money market account you were required by law to establish for certain past-due SSI benefits. We call it a **dedicated account** because the law also restricts the items and/or services you can buy with money from the account.

Total Dedicated Account Amount - The amount of past-due SSI benefits SSA direct deposited into the dedicated account **plus** the account balance as you reported on last year's report.
