(c) Notwithstanding the provisions of paragraph (b) of this section, the Director of Industry Operations may authorize alternate records to be maintained by a licensed importer to record the disposal of firearms and armor piercing ammunition when it is shown by the licensed importer that such alternate records will accurately and readily disclose the information required by paragraph (b) of this section. A licensed importer who proposes to use alternate records shall submit a letter application, in duplicate, to the Director of Industry Operations and shall describe the proposed alternate records and the need therefor. Such alternate records shall not be employed by the licensed importer until approval in such regard is received from the Director of Industry Operations.

(d) Each licensed importer shall maintain separate records of the sales or other dispositions made of firearms to nonlicensees. Such records shall be maintained in the form and manner as prescribed by §§ 478.124 and 478.125 in regard to firearms transaction records and records of acquisition and disposition of firearms.

§ 478.123 Records maintained by manufacturers.

(a) Each licensed manufacturer shall record the type, model, caliber or gauge, and serial number of each complete firearm manufactured or otherwise acquired, and the date such manufacture or other acquisition was made. The information required by this paragraph shall be recorded not later than the seventh day following the date

such manufacture or other acquisition was made.

(b) A record of firearms disposed of by a manufacturer to another licensee and a separate record of armor piercing ammunition dispositions to governmental entities, for exportation, or for testing or experimentation authorized under the provision of § 478.149 shall be maintained by the licensed manufacturer on the licensed premises. For firearms, the record shall show the quantity, type, model, manufacturer, caliber, size or gauge, serial number of the firearms so transferred, the name and license number of the licensee to whom the firearms were transferred, and the date of the transaction. For armor piercing ammunition, the record shall show the manufacturer, caliber or gauge, quantity, the name and address of the transferee to whom the armor piercing ammunition was transferred, and the date of the transaction. The information required by this paragraph shall be entered in the proper record book not later than the seventh day following the date of the transaction, and such information shall be recorded under the format prescribed by § 478.122, except that the name of the manufacturer of a firearm or armor piercing ammunition need not be recorded if the firearm or armor piercing ammunition is of the manufacturer's own manufacture.

(c) Notwithstanding the provisions of paragraph (b) of this section, the Director of Industry Operations may authorize alternate records to be maintained by a licensed manufacturer to record the disposal of firearms and armor piercing ammunition when it is shown by the licensed manufacturer that such alternate records will accurately and readily disclose the information required by paragraph (b) of this section. A licensed manufacturer who proposes to use alternate records shall submit a

letter application, in duplicate, to the Director of Industry Operations and shall describe the proposed alternate record and the need therefor. Such alternate records shall not be employed by the licensed manufacturer until approval in such regard is received from the Director of Industry Operations.

(d) Each licensed manufacturer shall maintain separate records of the sales or other dispositions made of firearms to nonlicensees. Such records shall be maintained in the form and manner as prescribed by §§ 478.124 and 478.125 in regard to firearms transaction records and records of acquisition and disposition of firearms.

[T.D. ATF-270, 53 FR 10501, Mar. 31, 1988, as amended by T.D. ATF-11F, 73 FR 57241, Oct. 2, 2008]

§ 478.124 Firearms transaction record.

(a) A licensed importer, licensed manufacturer, or licensed dealer shall not sell or otherwise dispose, temporarily or permanently, of any firearm to any person, other than another licensee, unless the licensee records the transaction on a firearms transaction record, Form 4473: *Provided*, That a firearms transaction record, Form 4473, shall not be required to record the disposition made of a firearm delivered to a licensee for the sole purpose of repair or customizing when such firearm or a replacement firearm is returned to the person from whom received.

(b) A licensed manufacturer, licensed importer, or licensed dealer shall retain in alphabetical (by name of purchaser), chronological (by date of disposition), or numerical (by transaction serial number) order, and as a part of the required records, each Form 4473 obtained in the course of transferring custody of the firearms.

(c)(1) Prior to making an over-the-counter transfer of a firearm to a non-licensee who is a resident of the State in which the licensee's business premises is located, the licensed importer, licensed manufacturer, or licensed dealer so transferring the firearm shall obtain a Form 4473 from the transferee showing the transferee's name, sex, residence address (including county or similar political subdivision), date and

place of birth; height, weight and race of the transferee; the transferee's country of citizenship; the transferee's INS-issued alien number or admission number; the transferee's State of residence; and certification by the transferee that the transferee is not prohibited by the Act from transporting or shipping a firearm in interstate or foreign commerce or receiving a firearm which has been shipped or transported in interstate or foreign commerce or possessing a firearm in or affecting commerce.

(2) In order to facilitate the transfer of a firearm and enable NICS to verify the identity of the person acquiring the firearm, ATF Form 4473 also requests certain optional information. This information includes the transferee's social security number. Such information may help avoid the possibility of the transferee being misidentified as a felon or other prohibited person.

(3) After the transferee has executed the Form 4473, the licensee:

(i) Shall verify the identity of the transferee by examining the identification document (as defined in § 478.11) presented, and shall note on the Form 4473 the type of identification used;

(ii) [Reserved]

(iii) Must, in the case of a transferee who is an alien admitted to the United States under a nonimmigrant visa who states that he or she falls within an exception to, or has a waiver from, the prohibition in section 922(g)(5)(B) of the Act, have the transferee present applicable documentation establishing the exception or waiver, note on the Form 4473 the type of documentation provided, and attach a copy of the documentation to the Form 4473; and

(iv) Shall comply with the requirements of § 478.102 and record on the form the date on which the licensee contacted the NICS, as well as any response provided by the system, including any identification number provided by the system.

(4) The licensee shall identify the firearm to be transferred by listing on the Form 4473 the name of the manufacturer, the name of the importer (if any), the type, model, caliber or gauge, and the serial number of the firearm.

(5) The licensee shall sign and date the form if the licensee does not know
