

Dear MR. Tester,

We would like to take this opportunity to thank you for your valued participation in the International Price Program. The indexes we produce measure price change in the foreign trade sector of the U.S. economy. In order to keep our sample up to date, we will no longer be collecting data for one or more of your items, which will be detailed in a separate mailed letter.

If you have any questions, please respond to this email.

We look forward to your continued participation in our survey.

Sincerely,

Susan E. Fleck
Assistant Commissioner
International Price Program
