Introduction	
THU OUUGUOT	
This purpose of this questionnaire is to obtain feedback from the first responder community on possible topics for future projects conducted by the Systems Assessment and Validation for Emergency Responders (SAVER) program. SAVER produces knowledge products providing operationally-relevant equipment information that allows first responder organizations to identify acquire, use and maintain the equipment that is best suited to their personnel.	,
If you have questions or comments about this survey, please email NUSTL@hq.dhs.gov or call 21 620-3514.	L 2 -

mor	graphic Information
ποί	
	eplies to the questions in this section will help the SAVER program to understand how der needs differ across organization types and regions.
1. O	rganization Type
	Local
	State
	Tribal
	Federal
	Other (please specify)
•	
2. In	which state/territory are you located?
3. Yo	our Responder Discipline
	Law Enforcement
	Fire Service
	Hazardous Materials
	Emergency Management
	Emergency Medical
	Cybersecurity/ Information Technology
	Other (please specify)

'	Personal Protective Equipment	
	Explosives Mitigation and Remediation Equipment	
	Search and Rescue	
	Information Technology	
	Detection	
	Decontamination	
	Inspection and Screening Systems	
	Other (please specify)
