Failure to disclose an identification number may cause a penalty pursuant to 19 CFR 24.24(h).

The estimated average burden associated with this collection of information is 30 minutes per respondent plus 10 minutes recordkeeping depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to U.S. Customs and Border Protection, Asset Management, Washington, DC 20229, and to the Office of Management and Budget, Paperwork Reduction Project (1651-0055), Washington, DC 20503.
