For your convenience, the **Performance Report MS Excel Form:** Block A, Block B, Block C, Block D, Block E and F has a color coding system to clearly show the type of information you must provide.

The Annual Performance Report (APR) is organized into four (2) reporting mediums (files):

Cover Sheet.

Performance Report MS Excel Form: Blocks A-F.

 ٩.	

The Office of Migrant Education (OME) has divided the APR into these sections due to the two types of content: text and numerical. The table summarizes the sections (blocks), the type of mediums (files) being used, and how they are being submitted. Ultimately, the entire APR (two separate files) will be submitted in a single (one) email to OME.

The table also clarifies that the <u>Cover Sheet</u> is to be submitted as **PDF** since it contains authorized signatures. The <u>Performance Report Data Form</u> is to be submitted as MS. Excel.
