SECTION V: FORBEARANCE/STOPPED COLLECTIONS

If you are not currently in default on your federal student loans, you may request to have them placed into **forbearance** status while your application is under review. **Forbearance means that you do not have to make loan payments and your loans will not go into default.** Forbearance will continue until the borrower defense review process of your application is completed. Your servicer will notify you when your loans have been placed into forbearance status.

If your federal student loans are in **default**, you may request to have debt collection on your loan stopped ("**stopped collections status**"). **This means that the federal government or debt collection companies will stop attempting to collect on the loans, including by not withholding money from your wages or income tax refunds.** Stopped collections status will continue until the borrower defense review process of your application is completed.

Please see the "Common Questions and Answers Regarding Forbearance/Stopped Collections" section on the Borrower Defense website (<https://studentaid.ed.gov/borrower-defense>) if you have any questions regarding choosing to enter forbearance or stopped collections.

Note that interest will continue to accumulate on federal loans regardless of what status they are in, including subsidized loans. If your application for borrower defense is denied, or partially approved, the total amount you owe on those loans may be higher.

PLEASE NOTE: You do not have to place your loans in forbearance or stopped collections to apply for borrower defense relief.

For the most current information with regard to your rights and obligations regarding forbearance and stopped collections, please visit the Borrower Defense website at <https://studentaid.gov/borrower-defense>.

*Are you requesting forbearance/stopped collections?

- Yes, I want all of my federal loans currently in repayment to be placed in forbearance and for collections to stop on any loans in default while my borrower defense application is reviewed. During this time period, I understand that interest will continue to accrue.
- No, I do not want all of my federal loans currently in repayment to be placed in forbearance and for collections to stop on any loans in default while my borrower defense application is reviewed. During this time period, I understand that interest will continue to accrue and that I must continue to make loan payments.

If you do not select one of the options immediately above, your federal loans currently in repayment will automatically be placed into forbearance and collections will stop for any defaulted loans, and the Department will request forbearance for any commercially held Federal Family Education Loan (FFEL) program loans currently in repayment and for debt collection to stop for any defaulted, commercially held FFEL program loans that you have currently (*as applicable*).

SECTION VI. CERTIFICATION

By signing this attestation I certify that:

All of the information I provided is true and complete to the best of my knowledge. Upon request, I agree to provide to the U.S. Department of Education information that is reasonably available to me that will verify the accuracy of my completed attestation.

I agree to provide, upon request, testimony, a sworn statement, or other documentation reasonably available to me that demonstrates to the satisfaction of the U.S. Department of Education or its designee that I meet the qualifications for borrower defense.

I certify that I received proceeds of a federal loan, in whole or in part, to attend the school/campus identified in Section II (above).

I understand that if my application is approved and some or all of my loans are forgiven, I am assigning to the U.S. Department of Education any legal claim I have against the school for those forgiven loans. By assigning my claims, I am effectively transferring my interests in any claim that I could make against the school relating to the forgiven loans (including the ability to file a lawsuit over those forgiven loans and any money ultimately recovered in compensation for those forgiven loans in court or other legal proceedings) to the U.S. Department of Education. I am not assigning any claims I may have against the school for any other form of relief --including injunctive relief or damages related to private loans, tuition paid out-of-pocket, unforgiven loans, or other losses.

I understand that the U.S. Department of Education has the authority to verify information reported on this application with other federal or state agencies or other entities. I authorize the U.S. Department of Education, along with its agents and contractors, to contact me regarding this request at the phone number above using automated dialing equipment or artificial or prerecorded voice or text messages.

I understand that any rights and obligations with regard to borrower defense to repayment are subject to the provisions currently in effect under Title 34 of the Code of Federal Regulations.

I understand that if I purposely provided false or misleading information on this application, I may be subject to the penalties specified in 18 U.S.C. § 1001, including fines. I understand that I may be asked to confirm the truthfulness of the statements in this application to the best of my knowledge under penalty of perjury.

The information you provide ED on this form and your SSN are voluntary, but you may need to provide the requested information on this form, including your SSN and/or a Federal Student Aid ID (FSA ID) that provides ED your verified SSN and other individual information pertaining to a student's or parent's Student Financial Assistance Programs account(s), for ED to process or complete our review of your borrower defense to loan repayment application. You may submit a form without your SSN or an FSA ID by filling out a form and sending it to ED via email or physical mail because disclosure of the information requested on this form is voluntary. However, without providing all the requested information on this form, ED may not be able to conduct a full investigation and complete the review of your application.

We use the information that you provided on this form including your name, SSN, date of birth, address, email address, telephone number(s), and / or an FSA ID, to receive, review, evaluate, and process requests for relief under the borrower defense to loan repayment regulations, to render decisions on the merits of such requests for relief, and, where requests for borrower defense to loan repayment are successful, to determine the relief that is appropriate to borrowers under the circumstances as well as to initiate appropriate proceedings to require schools whose acts or omissions resulted in the successful defenses against repayment to pay ED the amounts of the loans that apply to the defenses. Without your consent, ED may disclose the information that you provided and as otherwise allowed by the *Privacy Act*, pursuant to the routine uses identified in the system of records notice (SORN) entitled "Customer Engagement Management System (CEMS)" (18-11-11) and published in the Federal Register as [83 FR 27587-27591 \(June 13, 2018\)](#). These routine uses include, but are not limited to, a routine use that permits ED to disclose your information to foreign agencies, Federal agencies, State agencies, Tribal, or local agencies, accreditors, schools, lenders, guaranty agencies, servicers, and private collection agencies when further information is relevant to ED's resolution of your complaint, request, or other inquiry, tracking your application or your inquiry, and, where a request for borrower defense to loan repayment is successful, to determine the relief that is appropriate under the circumstances as well as to initiate the appropriate proceeding to require the school whose acts or omissions resulted in the successful defense against loan repayment to pay ED the amount of the loan that apply to the defenses. We may use your information for reporting, analyzing the data to make recommendations in student financial assistance programs, and assisting in the informal resolution of disputes. Disclosure of relevant information also may be made to the responsible foreign, Federal, State, Tribal or local agencies charged with investigating or prosecuting a violation or potential violation of law in the event that information indicates, either on its face or in connection with other information, a violation or potential violation of any applicable statute, regulation, or order of a competent authority.

In the event of litigation or alternative dispute resolution (ADR) involving ED or that we have an interest in and if that a party is either any component of ED, any ED employee in his or her official capacity, any ED employee in his or her individual capacity where representation for the employee has been requested or has been agreed to by ED or the Department of Justice (DOJ), or the United States where ED determines that the litigation is likely to affect ED or any of its components, we may disclose your information to DOJ, a court, adjudicative body, a person or an entity designated by ED or otherwise empowered to resolve or mediate disputes, or a counsel, party, representative, or witness if the disclosure is relevant and necessary to the litigation or ADR. ED also may disclose your information to DOJ to the extent necessary for obtaining DOJ's advice on any matter relevant to an audit, inspection, or other inquiry. We may send information to members of Congress if you ask them to help you with federal student aid or Student Financial Assistance Programs account(s) questions. Disclosures may be made to our contractors for the purpose of performing any programmatic function that requires disclosure of records. As part of such a contract, we will require the contractor to maintain safeguards to protect the security and confidentiality of the records that are disclosed to the contractor. If a record is relevant and necessary to a borrower complaint regarding participants in any Federal Student Financial Assistance Programs under title IV of the *HEA*, ED may disclose a record only during the course of

processing, reviewing, investigating, fact-finding, or adjudicating the complaint to: any party to the complaint; the party's counsel or representative; a witness; or a designated fact-finder, mediator, or other person designated to resolve issues or decide the matter. ED also may disclose records to the DOJ or Office of Management and Budget (OMB) if ED concludes that disclosure is desirable or necessary in determining whether particular records are required to be disclosed under the *Freedom of Information Act (FOIA)* or the *Privacy Act*. ED may disclose your information to appropriate agencies, entities, and persons when ED suspects or has confirmed that there has been a breach of the system maintaining your information; which poses a risk of harm to individuals, ED (including its information systems, programs, and operation), the Federal agencies, or national security and the disclosure made to such agencies, entities, and persons is reasonably necessary to assist ED's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm. ED also may disclose your information to another Federal agency or Federal entity, when ED determines that your information is reasonably necessary to assist the recipient agency or entity in responding to a suspected or confirmed breach or preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal agencies, or national security, resulting from a suspected or confirmed breach.
