Introductory Page

[seen when participants enter the URL from recruitment letter]

You are invited to participate in a NASA sponsored research survey about the sounds of supersonic flight. You must be at least 18 years of age to participate. To register as a participant, click the button "Click to begin"

To read about the study on nasa.gov, go to:

[Quiet Supersonic Flight Community Response](#)

The survey is being conducted by the [Penn State Survey Research Center](#)
