

**Justification of Change Worksheet
Fruit Crops Information Collection 0581-0189**

July 2018

This Justification request is to replace the 14 Background/Acceptance forms currently approved in this 0581-0189 information package with the two currently approved ‘standardized’ Background/Acceptance forms approved on July 5, 2018, in the Tart Cherry 0581-0177 information package. These two approved forms are the ‘standardized’ forms (SC-8 and SC-9) that can be catered to each of the Marketing Order and Agreement Division’s (MOAD) Federal marketing orders. The Agricultural Marketing Service (AMS) is following a USDA initiative in consolidating and removing excess forms in each of the information collection packages.

This Fruit Crops package contains the forms for Federal marketing orders: 920 Kiwi, 906 TX Citrus, 929 Cranberries, 915 Avocados, 905 FL Citrus, 925 Desert Grapes, 927 Pears, 922 Apricots and 923 Sweet Cherries.

The 14 currently approved industry and public member background forms are being replaced by these two standardized forms. In addition, DISTRICT will be added in the POSITION section for the Kiwifruit, Cranberry, Avocado, Citrus, Fresh and Processed Pears, Apricots and Sweet Cherries Federal marketing order programs.

Replacing the deleted forms listed below with the approved standardized forms (SC-8 and SC-9) will decrease the burden from 14.64 hours to 11.75 hours. This is a decrease of 2.89 burden hours. Below is a description of the burden hour changes:
