

A Message from the U.S. Census Bureau:

We are requesting your cooperation with the **2017 Manufacturers' Unfiled Orders Survey**. This survey collects data on sales and unfiled orders for 2017 and 2016 from domestic manufacturing companies. The data collected will be used in the development of estimates of monthly unfiled orders in the Manufacturers' Shipments, Inventories, and Orders (M3) survey.

Please report company sales and unfiled orders for your total domestic manufacturing activities as printed on your form. The list of manufacturing activities to assist you in identifying the industry codes as defined by the 2012 North American Industry Classification System (NAICS) is also included.

Use the enclosed form as a worksheet prior to reporting online, or return the completed form in the enclosed envelope. Online reporting is encouraged due to cost savings and reduced processing times.

Steps to report online:

1. **Sign in OR register** at <https://portal.census.gov>
2. **Add** your authentication code, which is printed on the front page of the form.
3. **Report** by clicking on "REPORT NOW." You can return to your account over multiple sessions to complete.

YOUR RESPONSE IS REQUIRED BY LAW and will be kept strictly **CONFIDENTIAL**.

We estimate the time to complete this survey varies from 15 minutes for single divisional companies to 60 minutes for multi-divisional companies, with an average of 30 minutes. Additional information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, please sign into your Census Bureau account or call us at 301-763-1779, Monday through Friday, 7:00 a.m. to 5:00 p.m. Eastern time.

Thank you in advance for your time and cooperation, and for helping the U.S. Census Bureau measure America's people, places, and economy. Your response makes a difference.

Sincerely,
