

## Attachment 7: Second Email with Link to Survey

Dear [NAME],

There is still time to give input on NORA council activities and how well (or not so well) your council is functioning.

As the steward of NORA, NIOSH is undertaking a project gather information on whether council members are satisfied with their experience, and how well councils are achieving their stated purposes of information sharing, networking, and disseminating/implementing evidence-based solutions. The findings will be used to help councils function as effectively as possible to maximize their contributions towards Agendas and to improved occupational safety and health.

To take the survey, please visit [URL]. It will be open until [DATE].

The survey is voluntary and will take about 12 minutes. The information you provide will be used for improvement purposes only, will not be shared in any way that would identify you or your organization. NIOSH will keep information you provide private and secure to the extent permitted by law.

For additional information about this project, please contact me at [NORACoordinator@cdc.gov](mailto:NORACoordinator@cdc.gov) or 404-498-2581.

Thank you, in advance, for your help with this important project.

Sincerely,

Emily J.K. Novicki, MA, MPH
