Thank you

...for your assistance in testing our questionnaire. The information you provided helps us improve the quality of the data we disseminate to the American public. The final questionnaire will be used to collect data on health conditions across the United States. These data will be used by public health officials to identify future research, screening, and educational programs.

Of course, the information you provided will be held in strict confidence.

Again, we greatly appreciate your participation.

Sincerely,

A handwritten signature in blue ink that reads "B.C. Moyer". The signature is written in a cursive style with a large, sweeping flourish at the end of the name.
