Attachmndent 2c: Interview conducted with respondents who are affiliated with a center that the CCQDER staff contacted for PRAMS Opioid 2018.

[Center that the CCQDER staff contacted] staff would read the following text to the individual:

If CCQDER staff are at the facility:

“You may be eligible to participate in a research study [today/on specified date] if you would like to do so. Researchers from the National Center for Health Statistics are evaluating questions which may be used on a national survey about mothers with babies 2-12 months old and are offering \$50 to those who participate in the study. The researchers are here [specific location in building]. If you are interested in learning more about the study, you can speak with them. You can then decide whether or not you want to participate.”

If CCQDER staff are not at the facility:
