

Attachment 3: Advance Letter

DEPARTMENT OF HEALTH & HUMAN SERVICES

Public Health Service
Centers for Disease Control and
Prevention

National Center for Health Statistics
3311 Toledo Road
Hyattsville, Maryland 20782

The Centers for Disease Control and Prevention's National Center for Health Statistics (NCHS) will be conducting preliminary survey research on knowledge and awareness of opioid prescription use for pain management.

The survey is best completed by physicians with **knowledge of opioid guidelines and experience in prescribing opioid medication for pain management**. Someone from the National Center for Health Statistics' Center for Questionnaire Design and Evaluation Research will call to ask if you are willing to participate in a research interview.

If you are willing to help us, here is what you need to know:

- In-person interview
- Conducted at your convenience
- No longer than one-hour
- \$100 as a token of our appreciation
- Call 301-458-[FILL] to schedule an appointment

Participation is, of course, voluntary, and you may refuse to answer any question or may stop participating at any time without penalty or loss of benefits. All of the information you provide will be kept confidential.¹

If you have any questions about your rights as a respondent in this research study, please call the Research Ethics Review Board at the National Center for Health Statistics toll-free at 1-800-223-8118. Please leave a brief message with your name and phone number. Say that you are calling about Protocol [fill]. Your call will be returned as soon as possible.

We greatly appreciate your interest and your help, and do look forward to working with you on this important topic.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Madans".

Jennifer Madans, Ph.D.
Acting Director
National Center for Health Statistics

📞 What do I do next?

If you want to schedule an interview or ask questions about this survey research, please call [FILL] at 301-458-[FILL].
