OMB No. 0920-0222
Exp. Date: 08/31/2021

Notice - CDC estimates the average public reporting burden for this collection of information as 20 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0222).

Assurance of confidentiality - We take your privacy very seriously. All information that relates to or describes identifiable characteristics of individuals, a practice, or an establishment will be used only for statistical purposes. NCHS staff, contractors, and agents will not disclose or release responses in identifiable form without the consent of the individual or establishment in accordance with section 308(d) of the Public Health Service Act (42 U.S.C. 242m(d)) and the Confidential Information Protection and Statistical Efficiency Act of 2002 (CIPSEA, Title 5 of Public Law 107-347).

Introduction and verification of respondent's name.

Explain why calling

We are asking for your help as we construct a health survey on behalf of the National Center for Health Statistics, part of the Centers for Disease Control and Prevention.

Phone call takes on average 20 minutes to complete.

Share confidentiality, informed consent, and voluntary participation information

All information which would permit identification of an individual, a practice, or an establishment will be held confidential, and will be used for statistical purposes only by NCHS staff and agents and will not be disclosed or released to other persons without your consent. If you have any questions about your rights as a participant in this research study, call NCHS' Confidentiality Officer at (888) 642-1459.

Participation is voluntary, but will assist greatly in helping further our nation's understanding of health and how we ask the public about public health issues.
