Screen Changes for September 2018 Release of Updates to mySSA

Reason for Change	Required Change	Screens with Changes & Page Number in Package	Comments
eAccess Updates	Changes to the Sign-In Page	**Internet Screens:** • Sign-in page will now show button as "Enter Activation Code" under the 'Finish Setting up Your Account' section. (Page 1)	
eAccess Updates	Removal of the Password Expiration date	**Internet Screens:** • The error message screen for password expiration dates will be removed since the passwords will no longer expire arbitrarily. (Page 2)	
eAccess Updates	Upgrading Password Reset Question Format	**Internet Screens:** • Only the functionality will change within this screen. There will not be an additional screen. We will now display the message to a customer that his or her response cannot be the same as a prior answer. It also must be two or more characters for each answer. (Page 3)
