About the Child's Condition

You can help the child's case by providing as much detail as possible about his or her condition. This is important because children with the same condition may have different symptoms and complications.

List and describe all of the child's illnesses, injuries, or conditions.

Include:

- All physical or emotional conditions
- All learning disabilities or behavioral problems
- Any mental retardation
- Any major complications resulting from the child's condition
- All conditions, whether or not the child has been receiving treatment
- If cancer, include stage and type

[Examples of conditions](#)

She is Hearing Impaired and Learning Disabled and sometimes suffers migranes Total blindness and retinal cancer

Check Spelling

Do any of the above ever cause the child pain or other symptoms?
