**Privacy Act Statement  
Collection and Use of Personal Information**

Sections 205(a), 1631(e)(1), and 223(d)(5)(A) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may affect the decision on the claim.

We will use the information to make a decision regarding if a child is eligible for benefit payments. We may also share your information for the following purposes, called routine uses:

1. To Federal, State, or local agencies that conduct business with the Social Security Administration (SSA) and the release of records is determined to be relevant and necessary; and disclosure is compatible to the reason why the records were collected;
2. To third party contacts when additional information about the child is needed or verification of eligibility for benefits; and
3. To workers who are performing work for SSA as authorized by law and who technically do not have the status of Federal employees; and other Federal agencies for assisting SSA in the efficient administration of its programs.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0089, entitled Claims Folders Systems. Additional information and a full listing of all our SORNs are available on our website at [www.socialsecurity.gov/foia/bluebook](http://www.socialsecurity.gov/foia/bluebook).
