

## Draft HPP Partner Survey Questions – February 2019

Note that text in brackets [ ] are notes for programming in SurveyMonkey and should not be included in the distributed version.

### Survey Purpose

The purpose of this survey is to gather information from the Hospital Preparedness Program's partner community on the value of the HPP partner meetings and various activities, resources, and communications materials put forth by ASPR and HPP. Information collected from this survey will help HPP measure how well the program is meeting its strategy and mission, as well as help improve and refine the program's engagement priorities.
