

# Your experience with the Partners for Fish and Wildlife Program

A survey by:

U.S. Fish & Wildlife Service

## INTRODUCTION

Programs that help landowners improve wildlife habitat have become more common and available to private landowners over the last few decades. HABITAT IMPROVEMENT includes establishing, restoring, enhancing, or maintaining wildlife habitat.

In this survey, we'd like to ask you about a particular wildlife habitat improvement program you participated in—the Fish and Wildlife Service (FWS) PARTNERS FOR FISH AND WILDLIFE (PFW) PROGRAM, which we will refer to in this survey as the Program.

Hearing your feedback about participation will help us understand how the Program is serving private landowners like you.

## PROJECT DETAILS

Your Program LANDOWNER AGREEMENT describes the habitat improvement project and the management activities required to advance or maintain project outcomes during the agreement term.

<<Your agreement with the Program <<is/was>> in partnership with <<mainagreementorg>>>>. In the Program, you <<will complete/have completed>> a <<projecttype>> habitat improvement project on your parcel of land in <<county>>. This agreement started in <<startyear>> and <<will end/ended>> in <<endyear>>.

We would like to ask you specifically about your experiences with this habitat improvement project in this Program.

## THANK YOU FOR YOUR CONTRIBUTION!

**11. The items below reflect a number of personal reasons landowners may have when deciding to participate in the Program. Please indicate to what degree each of the items below positively influenced your decision to participate:**

<b>I participated because:</b>	<b>No influence</b>	<b>Small influence</b>	<b>Moderate influence</b>	<b>Strong influence</b>	<b>Very strong influence</b>
I like the feeling I get when helping wildlife	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Establishing, restoring, or enhancing habitat is a fundamental part of who I am	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

it's the kind of thing someone like me should do	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I would feel guilty if I didn't do what I could to improve wildlife habitat	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I wanted recognition from others for participating in habitat improvement programs	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**While you ultimately decided to participate in the Program, we want to hear about the reasons or concerns that may have had a *NEGATIVE INFLUENCE* on your decision.**

<b>When deciding to participate, I thought:</b>	<b>No influence</b>	<b>Small influence</b>	<b>Moderate influence</b>	<b>Strong influence</b>	<b>Very strong influence</b>
implementing the habitat improvement project would be too burdensome	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
my personal financial contribution would be too costly	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
the agreement term length was too long	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
the paperwork and administrative process would be a hassle	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
the reimbursement process would be difficult and/or lengthy	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
the project and management activities would decrease overall profitability of my land	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**13. The items below reflect a number of personal considerations landowners may have when deciding to participate in the Program. Please indicate the degree to which the following items made you reluctant to participate:**

I was uncomfortable allowing access to my land	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<<mainagreementorg>> didn't seem trustworthy	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
the possibility that the habitat improvement project wouldn't be helpful	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
that the habitat improvement project wasn't aligned with my land management goals	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**14. The items below reflect a number of personal considerations landowners may have when deciding to participate in the Program. Please indicate the degree to which the following items made you reluctant to participate:**

<b>When deciding to participate, I thought:</b>	<b>No influence</b>	<b>Small influence</b>	<b>Moderate influence</b>	<b>Strong influence</b>	<b>Very strong influence</b>
I would lose the control to manage my land the way I feel is best	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
I wouldn't be protected from future regulations on my land	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
working with the federal government would have hidden strings attached	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
