No. Only the vehicle with the pass owner is covered. The second vehicle is subject to an entrance fee, or must have (or buy) a second pass.
- **What if I have a motorcycle?**
A Volunteer Pass permits entrance for one motorcycle.
- **What is NOT covered by the Volunteer Pass?**
The Volunteer Pass does not cover Expanded Amenity fees such as camping, boat launching, parking, special tours, special permits or ferries.

Also, some facilities and activities on Federal recreation lands (including those mentioned above) are managed by private concessionaires. The concessionaires charge for their services as any private company does and the Pass is not valid for their services.

- **How do I show my pass at a site that doesn't have an entrance station?**
At Federal recreation sites that don't have entrance stations you need to display your pass or show proof of pass ownership to compliance officers via one of the two following methods:

HANGTAGS

A pass can either be displayed on your rearview mirror using a free hangtag or on your dashboard with the signature side showing. Remember, the hangtag itself is only a way to display your Pass, and is not valid for entry unless it holds a valid Pass.

DECALS

If you own an open-topped vehicle (jeep, motorcycle, etc.) you may obtain a free decal to attach to your vehicle that will serve as proof of payment at sites that don't have a staffed entrance station.

- Decals are issued on annual basis, even for owners of lifetime Senior/Access passes
- Decals are NOT valid for entry at staffed entrance sites - you MUST show your pass
- Decals must be obtained in person and you must show the following: your Pass, driver's license and vehicle registration. The name on all three documents must match.
- All sites that issue passes issue free hangtags
