

years after the end of the calendar year in which the data is gathered.

2. Records related to the analysis of relationship patterns among individuals and organizations that are indicative of violations of the customs and immigration laws including possible terrorist threats from non-obvious relationships and specific leads and law enforcement intelligence for active and new investigations. These records must be destroyed or deleted 15 years after the end of calendar year of last use of individual's data.

The latent biometric retention schedule is currently in development with OBIM Headquarters and will be submitted thereafter to NARA for approval.

#### ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

DHS safeguards records in this system according to applicable rules and policies, including all applicable DHS automated systems security and access policies. DHS has imposed strict controls to minimize the risk of compromising the information that is being stored. Access to the computer system containing the records in this system is limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions.

#### RECORD ACCESS PROCEDURES:

The Secretary of Homeland Security has exempted this system from the notification, access, and amendment procedures of the Privacy Act, and consequently the Judicial Redress Act if applicable, because it is a law enforcement system. However, DHS will consider individual requests to determine whether or not information may be released. Thus, individuals seeking access to and notification of any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the Chief Privacy Officer and FOIA Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "Contacts Information." If an individual believes more than one Component maintains Privacy Act records concerning him or herself, the individual may submit the request to the Chief Privacy Officer and Chief Freedom of Information Act Officer, Department of Homeland Security, Washington, DC 20528-0655. Even if neither the Privacy Act nor the Judicial Redress Act provide a right of access, certain records about the individual may be available under the Freedom of Information Act.

When seeking records about one from this system of records or any other Departmental system of records, the request must conform with the Privacy Act regulations set forth in 6 CFR part 5. The individual must first verify his or her identity, meaning that he or she must provide his or her full name, current address, and date and place of birth. The individual must sign the request, and the signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, an individual may obtain forms for this purpose from the Chief Privacy Officer and Chief Freedom of Information Act Officer, <http://www.dhs.gov/foia> or 1-866-431-0486. In addition, the individual should:

- Explain why he or she believe the Department would have information being requested;
- Identify which Component(s) of the Department he or she believes may have the information;
- Specify when you believe the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS Component agency may have responsive records;

If the request is seeking records pertaining to another living individual, the person seeking the records must include a statement from the subject individual certifying his/her agreement for the requestor to access his or her records.

Without the above information, the Component(s) may not be able to conduct an effective search, and the request may be denied due to lack of specificity or lack of compliance with applicable regulations.

#### CONTESTING RECORD PROCEDURES:

For records covered by the Privacy Act or covered JRA records, see "Record Access Procedures" above, and 6 CFR part 5.

#### NOTIFICATION PROCEDURES:

See "Record Access Procedures."

#### EXEMPTIONS PROMULGATED FOR THE SYSTEM:

The Secretary of Homeland Security, pursuant to 5 U.S.C. 552a(j)(2), has exempted this system from the following provisions of the Privacy Act: 5 U.S.C. 552a(c)(3), (c)(4); (d); (e)(1), (e)(2), (e)(3), (e)(4)(G), (e)(4)(H), (e)(5), and (e)(8); (f); and (g)(1) through (5). Additionally, the Secretary of Homeland Security, pursuant to 5 U.S.C. 552a(k)(2) and (k)(5), has exempted this system from the following provisions of the

Privacy Act, 5 U.S.C. 552a(c)(3); (d); (e)(1), (e)(4)(G), (e)(4)(H); and (f).

Exemptions from these particular subsections are justified on a case-by-case basis determined at the time a request is made. When this system receives a record from another system exempted in that source system under 5 U.S.C. 552a(j)(2), DHS will claim the same exemptions for those records that are claimed for the original primary systems of records from which they originated and claim any additional exemptions set forth here.

#### HISTORY:

Records in this System of Records were previously covered under DHS/US-VISIT-001 DHS Automated Biometric Identification System (IDENT), 72 FR 31080 (June 5, 2007).

**FOR FURTHER INFORMATION CONTACT:**

Raymond Mills, (202) 357–8100, [Raymond.g.Mills@hq.dhs.gov](mailto:Raymond.g.Mills@hq.dhs.gov).

**SUPPLEMENTARY INFORMATION:** The CIS Ombudsman was created under section 452 of the Homeland Security Act of 2002 (Pub. L. 107–296) to: (1) Assist individuals and employers in resolving problems with the USCIS; (2) to identify areas in which individuals and employers have problems in dealing with USCIS; and (3) to the extent possible, propose changes in the administrative practices of USCIS to mitigate problems. This form is used by an applicant who is experiencing problems with USCIS during the processing of an immigration benefit.

The information collected on this form will allow the CIS Ombudsman to identify the problem as either: (1) A case problem which is a request for information about a case that was filed with USCIS (“case problem”); or (2) the identification of a systemic issue that may or may not pertain to an individual case which the individual, attorney or employer is seeking to bring to the attention of the CIS Ombudsman (“trend”).

For case problems, the CIS Ombudsman will refer case specific issues to the Customer Assistance Office for USCIS for further research, and review.

For trends received, the CIS Ombudsman notes the systemic issue identified in the correspondence which may or may not be incorporated into future recommendations submitted to the Director of USCIS pursuant to section 452(d)(4) of Public Law 107–296.

The use of this form provides the most efficient means for collecting and processing the required data. The CIS Ombudsman also employs the use of information technology in collecting and processing information by offering the option for electronic submission of the DHS Form 7001 through the Ombudsman Online Case Assistance

System. Per PRA requirements, a fillable PDF version of the form is provided on the CIS Ombudsman’s website. The PDF form can be completed online, printed out and sent to the CIS Ombudsman’s office at the address indicated on the form. It is noted on the form that using the paper method can result in significant processing delays for the CIS Ombudsman’s office to provide the requested case assistance. After approval of the changes to the form detailed in this supporting statement, both the online form and PDF will be updated and posted on the Ombudsman’s website at <http://www.dhs.gov/case-assistance> for submission of the form.

The assurance of confidentiality provided to the respondents for this information collection is provided by: (a) The CIS Ombudsman authorizing legislation and mandate as established by Homeland Security Act of 2002 at Section 452; (b) the Privacy Impact Assessment and the (c) Systems of Records Notice titled “Department of Homeland Security Citizenship and Immigration Services Ombudsman–001 Online Ombudsman Form DHS–7001 and Ombudsman Case Assistance Online System of Records”. The DHS Privacy Office will receive the entire package of documents for this information collection to assure authorization for renewal of the collection.

The Ombudsman Form DHS–7001 (PDF) and the Ombudsman Case Assistance Online System are constructed in compliance with all applicable DHS Privacy Office, DHS CIO, DHS Records Management, and OMB regulations regarding data collection, use, storage, and retrieval. The proposed public use data collection system is therefore intended to be distributed for public use primarily by electronic means with limited paper distribution and processing of paper forms.

The Ombudsman Form DHS–7001 (PDF) and the Online Ombudsman Form DHS–7001 (Ombudsman Case Assistance Online System) have been constructed in compliance with regulations and authorities under the purview of the DHS Privacy Office, DHS CIO, DHS Records Management, and OMB regulations regarding data collection, use, sharing, storage, information security and retrieval of information.
