Re: Your application for the Global Entry Program and Asia Pacific Economic Cooperation Business Travel Card Membership #980239186

Dear CLOUDY TUESDAYS:

We are pleased to inform you that your U.S. Customs and Border Protection (CBP), Global Entry and Asia Pacific Economic Cooperation (APEC) Business Travel Card (ABTC) membership application has been processed and you are now invited to visit an enrollment center to complete the enrollment process.

In order to finalize your Global Entry enrollment, you must schedule your Global Entry interview. To do this, please log in to the Trusted Traveler Programs (TTP) System using the user name and password you established when you completed your initial application. Once you have logged in, please schedule your interview using the blue "Schedule Interview" button located on the right side of the screen. If you have already visited the enrollment center for this application, please disregard this letter.

You must bring the following original documents with you to the enrollment center:

- A valid passport. *If you travel using more than one passport, please bring them to the interview so that the information can be added to your file. This provides you with the ability to use either passport at the Global Entry kiosk and the ability to use the passport which will be linked to your ABTC when using the APEC lanes abroad;*
- A permanent resident card (if applicable);
- Documents providing evidence of residency. Examples are: driver's license (if the address is current), mortgage statement, rental payment statement, utility bill, etc.

If your application includes a vehicle for use in the SENTRI lanes, you are no longer required to have the vehicle inspected. For initial applications or renewal applications, you will still need to schedule an enrollment interview at the Enrollment Center. For vehicle add applications, you will receive an updated notice when your application has been approved. Once approved, you can use the vehicle in the SENTRI lanes.

When you visit the Enrollment Center, we will review your application and any additional information you provide at that time. We will verify your identity, review your documentation, and take your fingerprints and photograph. Finally, we will explain the terms and conditions of the Global Entry program, collect your signature to complete your ABTC enrollment, and answer any questions or concerns you may have.

Your Global Entry membership number is 980239186. Once your account is approved, this will become your Known Traveler Number (KTN) for your TSA Pre-Check benefit. For more information on the TSA Pre-Check program please visit their web site at [www.tsa.gov/tsa-precheck](http://www.tsa.gov/tsa-precheck).

Thank you for applying to the Global Entry Program and ABTC. If you have any questions, please visit the Global Entry website at <http://www.cbp.gov/global-entry/about>.

Respectfully,

Supervisor, Global Entry Enrollment Center
