Connecticut Household 102 LEES LN TOLLAND, CT 6084

Dear CT Household:

About three weeks ago we mailed you an invitation to a survey about coastal recreation in New England. If you have already completed the survey, please accept our sincere thanks. If you have not had a chance to take it, please do so in the next few days. If you have already made it partway through the survey online, logging back in now will bring you to where you left off so you can finish.

It is very important that someone in your household completes the survey, even if no one participates in coastal recreation. Your insights are very important to us, and we encourage one adult (age 18 or over) of your household to complete the survey.

We have included a paper version of the survey with this mailing. Please fill it out and return it to us in the provided pre-paid postage envelope. If you prefer to take the survey online, instead of the paper version, please go the website below and enter your access code. If you have already answered the survey online, you do not need to return the paper survey.

## Steps for taking the survey on the internet:

First enter this address into your internet browser's address bar: www.NERecreationSurvey.com

Or, use the QR code with your phone/tablet camera to link directly to the survey:

Next, enter your Access Code: 1019764

If you have any questions about this survey now or after you complete the survey, please contact me by email at NERecreationSurvey@abtassoc.com.

By taking a few minutes to answer the survey, you are adding greatly to our understanding of public opinions and uses of coastal New England's waters. I hope you enjoy completing this questionnaire and I look forward to receiving your responses. Thank you in advance for your time and consideration.

Sincerely,

Marisa Mazzotta
