Public reporting burden for this collection of information is estimated to average 6 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information and you are not required to complete this form unless it displays a currently valid OMB control number.

This information enables HUD to record and process financial transactions in its automated Single Family Acquired Asset Management System (SAMS) to dispose of acquired single family properties. HUD reimburses property managers, closing agents, selling brokers, and trade vendors for their services in maintaining, marketing, and selling HUD homes, and HUD collects funds associated with the sales of these properties. The information enables HUD to create and maintain sound financial management practices and effective internal controls over the property disposition program. A response is required to obtain or maintain a benefit.
