HUD's Office of Inspector General, Office of Investigation suggested in its Systemic Implications Report that the Office of Single Family Asset Management include a false statement warning into the Owner-Occupant Buyer Addendum to form HUD-9548 *Sales Contract Property Disposition Program* because the lack of criminal warning has prevented pursuit of multiple cases regarding the HUD-REO program thus making the HUD-REO process susceptible to corruption and self-dealing. Therefore, HUD is adding a criminal warning paragraph to Owner-Occupant Addendums. In addition, non-substantive changes are also made to the title, the date the addendums were revised and/or inclusion of the HUD Handbook reference.
