This screenshot shows the 'Survey Overview' page for the 'Office of the Chief Scientist Agency Library Survey'. The page is part of the 'National Aeronautics and Space Administration' Intranet SharePoint Portal. It features a search bar, navigation links for 'Agency SharePoint Help and Training Site' and 'Shared Documents', and a 'Respond to this Survey' button. The survey details are as follows:

Survey Name:	Office of the Chief Scientist Agency Library Survey
Survey Description:	
Time Created:	4/16/2019 10:42 AM
Number of Responses:	0

Below the details, there are two checkboxes: 'Show a graphical summary of responses' and 'Show all responses'. The NASA logo is visible in the bottom left corner, and the footer contains links for 'WFE', 'SharePoint Help and Training Site', 'URL Shortener', 'NASA Web Privacy Policy', and 'v1.0'.

This screenshot shows the 'Agency Library Survey Questions' page. It includes the same navigation and search elements as the overview page. The main content area contains a 'Paperwork Reduction Act Statement' and a survey question:

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 2700-0153 and this information collection expires on 9/30/2021. We estimate that it will take 5 minutes to read the instructions, gather the facts, and answer the questions.
