

A Message from the Director, U.S. Census Bureau...

The U.S. Census Bureau (Census Bureau) conducts the Boundary and Annexation Survey (BAS) to update our records regarding changes to legal boundaries, names, and governmental status of all governmental units effective on or before **January 1** of the survey year. This voluntary survey is an important opportunity for you to ensure that we have the correct boundary and legal name for your government. The Census Bureau will use the boundary information you provide to report data from the Population Estimates Program (PEP), the American Community Survey (ACS), and other Census Bureau programs and surveys.

Step 1 Respond to the Boundary and Annexation Survey:

- Complete the online BAS Annual Response Form and Contact Update information online at https://www.census.gov/geo/partnerships/bas/bas_ar_form.html

OR

- Send an email to geo.bas@census.gov indicating (1) whether you have boundary changes to report (yes or no), and (2) whether the Highest Elected Official and BAS contacts are current and the associated contact information for each is correct. If not, please provide updated information. Be sure to include the 11-digit BAS ID listed at the top of this letter in the subject line of your message.

NOTE: If you have no boundary changes to report, we ask that you still provide a “NO” response. Because we must contact all nonresponding governments, your “NO” response is appreciated.

FOR COUNTY GOVERNMENTS: Please contact us if you are participating in a Consolidated BAS (CBAS) agreement (where the county responds to the BAS on behalf of some or all of the governmental units in the county) and need to update the list of governments for whom you are reporting, **OR** if your county is not yet participating but you are interested in CBAS. (To verify CBAS participation, visit our participant list at <https://www.census.gov/programs-surveys/bas/information/consolidated-bas.html>)

Step 2 Report Boundary Changes (if in Step 1 you indicated boundary changes to report):

BAS materials will be posted for download on our website <https://www.census.gov/programs-surveys/bas.html> beginning in January 2018.

KEY DATES

- January 1, 2018** All boundary changes must be legally in effect on or before this date to be reported under the BAS 2018.
- March 1, 2018** BAS submission date deadline for boundary updates to be reflected in the ACS and PEP published data. Boundary submissions received by this date are also reflected in next year’s BAS materials.

May 31, 2018 BAS submission date deadline for boundary updates to be reflected in next year's BAS materials. Submissions after this date are not guaranteed to be reflected in next year's BAS materials.

The Census Bureau will attempt to include submitted street and landmark updates as resources permit.

Please note that your response to the BAS does not replace any state or county reporting requirements. Visit <https://www.census.gov/programs-surveys/bas/information/state-agreements.html> for state reporting requirements.

The Census Bureau appreciates your response to this important voluntary survey. If you need any assistance with this request, please email <geo.bas@census.gov>, telephone 1-800-972-5651, or visit <https://www.census.gov/programs-surveys/bas.html>
