

Example Invention Con Email for daily participants

Email from Day One

Thank you for taking part in day one of Invention-Con 2020!

During each panel the resources listed below were mentioned to provide you more information:

Day One of Invention-Con 2020	Resource links
Leadership greeting	
Understanding the patent examination process	https://www.uspto.gov/patents-getting-started/patent-process-overview
Filing a provisional application	https://www.uspto.gov/patents-getting-started/using-legal-services/pro-se-assistance-program
Best practices for filing a successful patent application	https://www.uspto.gov/learning-and-resources/support-centers/trademark-assistance-center
Applying for a trademark	https://www.uspto.gov/learning-and-resources/support-centers/trademark-assistance-center

We look forward to you joining us tomorrow for day two of Invention-Con!

If you would like to provide feedback and comments on Invention-Con, be sure to complete the survey link that will be provided after day three of the program.
