

LOGIN SCREEN

Welcome to IMS

Update:

Beginning on October 1, 2015, NCNR staff and facility users will be required to complete the NCNR Safety Awareness training presentation. Once you have logged into your IMS account, go to the "User Activities" menu and click "Online Training for NCNR Facility Users" to begin this training.

****IMPORTANT NEWS ****

All visitors who plan to travel to the NCNR by personal car or rental car **must provide evidence that the car is properly registered with the appropriate US state upon request. Vehicles without proof of US state registration will not be allowed into NIST.** Visitors driving rental cars can show their rental agreement in lieu of vehicle registration.

OMB Control #0693-XXXX
Expiration Date: XX/XX/XXXX

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be 1 hour, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Przemek Klosowski at przemek.klosowski@nist.gov.

****WARNING**WARNING**WARNING**WARNING**WARNING****

You are accessing a U.S. Government information system, which includes: 1) this computer, 2) this computer network, 3) all computers connected to this network, and 4) all devices and storage media attached to this network or to a computer on this network. Privacy Act Statement

Authority: The collection of this information is authorized under Public Law 107-347 E-Government Act of 2002 (FISMA included), Public Law 200-253 Computer Security Action of 1987, OMB Circular No. A-130, Appendix III, Security of Automated Information Resources Department of Commerce IT Security Program Policy, Department of Commerce Administrative Orders, NIST Administrative Manual Chapter 11.02, NIST IT Security Management Handbook, and Privacy Act 1974

Purpose: The National Institute of Standards and Technology (NIST) Center for Neutron Research (NCNR) is a National User Facility for neutron scattering research. Its primary function is scientific research and development of methods for measuring physical and chemical properties of matter, in collaboration with external users of the facility. Information is collected in support of soliciting and reviewing proposals for scientific experiments at NCNR, allocating instrument time, managing the resulting site visits and resulting scientific data and publications.

Routine Uses: NIST will use this information to conduct necessary government business for the processing of applicants to gain entry into the NISTNCNR Facility. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 522a) to be shared among NIST staff for work-related purposes. Disclosure of this information is also subject to all the published routine uses as identified in the Privacy Act System of Records Notices: NIST 5: Nuclear Reactor Operator Licensees File; NIST 1: NIST Associates (this has a special section for Facility User Records for NCNR); DEPT. 25: Access Control and Identity Management System.

Disclosure: Furnishing this information is voluntary, however this information is required in order to obtain authorization to the NIST NCNR Facility. The failure to provide accurate information may delay or prevent you from receiving this access. Submitting voluntary information constitutes your consent to the use of the information for the stated purpose. When you submit the form, you are indicating your voluntary consent for NIST to use of the information you submit for the purpose stated. This information may also be retained indefinitely as deemed necessary for the purpose of distributing updates and information.

For additional information, see the [NIST Privacy Statement/Security Notice](#).

t of an accident or medical emergency.

Privacy Act Statement

Authority: The collection of this information is authorized under Public Law 107-347 E-Government Act of 2002 (FISMA included), Public Law 200-253 Computer Security Action of 1987, OMB Circular No. A-130, Appendix III, Security of Automated Information Resources Department of Commerce IT Security Program Policy, Department of Commerce Administrative Orders, NIST Administrative Manual Chapter 11.02, NIST IT Security Management Handbook, and Privacy Act 1974

Purpose: The National Institute for Standards and Technology (NIST) Center for Neutron Research (NCNR) is a National User Facility for neutron scattering research. Its primary function is scientific research and development of methods for measuring physical and chemical properties of matter, in collaboration with external users of the facility. Information is collected in support of soliciting and reviewing proposals for scientific experiments at NCNR, allocating instrument time, managing the resulting site visits and resulting scientific data and publications.

Routine Uses: NIST will use this information to conduct necessary government business for the processing of applicants to gain entry into the NISTNCNR Facility. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 522a) to be shared among NIST staff for work-related purposes. Disclosure of this information is also subject to all the published routine uses as identified in the

OMB Control #0693-XXXX
Expiration Date: XX/XX/XXXX

This collection of information contains Paperwork Reduction Act (PRA) requirements approved by the Office of Management and Budget (OMB). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the PRA unless that collection of information displays a currently valid OMB control number. Public reporting burden for this collection is estimated to be 1 hour, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Przemek Klosowski at przemek.klosowski@nist.gov.

Privacy Act Statement

Authority: The collection of this information is authorized under Public Law 107-347 E-Government Act of 2002 (FISMA included), Public Law 200-253 Computer Security Action of 1987, OMB Circular No. A-130, Appendix III, Security of Automated Information Resources Department of Commerce IT Security Program Policy, Department of Commerce Administrative Orders, NIST Administrative Manual Chapter 11.02, NIST IT Security Management Handbook, and Privacy Act 1974

Purpose: The National Institute for Standards and Technology (NIST) Center for Neutron Research (NCNR) is a National User Facility for neutron scattering research. Its primary function is scientific research and development of methods for measuring physical and chemical properties of matter, in collaboration with external users of the facility. Information is collected in support of soliciting and reviewing proposals for scientific experiments at NCNR, allocating instrument time, managing the resulting site visits and resulting scientific data and publications.

Routine Uses: NIST will use this information to conduct necessary government business for the processing of applicants to gain entry into the NIST/NCNR Facility. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among NIST staff for work-related purposes. Disclosure of this information is also subject to all the published routine uses as identified in the

OMB Control #0693-XXXX

Personal Information	
* E-mail Address	<input type="text"/>
Title	<input type="text" value="v"/>
* Surname	<input type="text"/>
* Given Name	<input type="text"/>
* Street Address	<input type="text"/>
* City	<input type="text"/>
* State	<input type="text"/>
* Zip	<input type="text"/>
* Country	<input type="text" value="United States"/> v
* Daytime Telephone	<input type="text"/>
* Evening Telephone	<input type="text"/>
Demographic Information (Responses to these questions are voluntary.)	
What is your sex? You may skip this question if you prefer.	<input type="radio"/> Male <input type="radio"/> Female
Are you Hispanic or Latino?	<input type="radio"/> Yes <input type="radio"/> No
What is your race? You may skip this question if you prefer.	<input type="text" value="v"/>
Professional Information	
* Institution	<input type="text"/>
* Department	<input type="text"/>
* Professional Status	<div><div>Student</div><div>Post-Doc</div><div>Jr. Faculty</div><div>Other</div></div> <input type="text"/>
If Other, please specify	<input type="text"/>
If Student or Post-Doc, please give the name of your Principal Advisor	<input type="text"/>
* Area of Research	<input type="text" value="v"/>
If Other, please specify	<input type="text"/>
Have previous neutron experience?*	<input type="radio"/> Yes <input type="radio"/> No
* Please provide us with your area of research, how your admittance to the summer school will aid this research and any future work you may have relating to neutron scattering (2000 characters max).	<div><div></div><div></div></div>
Would you like to be considered for financial assistance?	<input type="radio"/> Yes <input type="radio"/> No
<input type="button" value="Submit Application"/>
