

Request for Non-substantive Change

Workplace Violence Prevention Programs in NJ Healthcare Facilities

OMB Approval #0920-0914 – Expiration date 05/31/2019

**Justification for Non-substantive change:**

We are requesting a change to the method of collecting the survey data to an online survey due to difficulty recruiting nursing home workplace violence prevention committee chairs to do an in person interview.

The requested change will **not** change the following: the scope of the study, the survey questions, the respondents, the burden hours, and the use of the data.

**Burden table submitted to OMB:**

<b>Respondents</b>	<b>Form Name</b>	<b>No. of Respondents</b>	<b>No. of Responses per Respondent</b>	<b>Average Burden per Response (in hrs)</b>	<b>Total Burden (in hrs)</b>
Nursing Home Administrators	Evaluation of Nursing Home Workplace Violence Prevention Program: Abstraction Form	20	1	1	20
Nursing Home Administrators	Committee Chair Interview	20	1	1	20
Nursing Home Administrators	Employee Incident Form	20	1	1	20
Total					60
