

**Qualitative research to understand consumer opinions and preferences for emerging
HIV prevention products among MSM in Atlanta, Houston, and Miami**

Attachment 2f: Survey not on PrEP

**Emerging Prevention Products for MSM
Survey for Participants Currently not on PrEP**

Respondent ID: _____

<p>Form Approved OMB No: 0920-1091 Exp. Date: 09/30/2021</p>
<p>Privacy Act Statement:</p>
<p>This information is collected under the authority of the Public Health Service Act, Section 301, "Research and Investigation," (42 U.S.C. 241); which discuss authority to maintain data and provide privacy for health research and related activities (42 U.S.C. 242 b, k, and m(d)). This information is also being collected in conjunction with the provisions of the Government Paperwork Elimination Act and the Paperwork Reduction Act (PRA). This information will only be used by the Centers for Disease Control and Prevention (CDC) staff to advance understanding of consumer preferences about emerging biomedical products designed to prevent HIV transmission among men who have sex with men.</p>
<p>Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333. Attn: OMB-PRA (0920-1091)</p>
