

**Qualitative research to understand consumer opinions and preferences for emerging
HIV prevention products among MSM in Atlanta**

Attachment 1: Recruitment Materials

Your voice could help shape the future of men's sexual health

2P
prevention
products
for men
M

We are looking for gay, bi or other men who have sex with men, who are 18 or older and HIV-negative to talk to about emerging HIV prevention methods.

Join us for a focus group or interview and short survey.

If you are eligible and participate in the study,
you will receive \$40-\$60.

Call us at: 1-888-XXX-XXXX

Funding for this study is provided by the Centers for Disease Control and Prevention (CDC).
