

SSA will insert the following revised Privacy Act Statement into the form as soon as possible:

**Privacy Act Statement
Collection and Use of Personal Information**

Section 205(c)(2)(B)(i)(I) of the Social Security Act, as amended, allows us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from processing your request.

We will use the information to notify your employer of your assigned Social Security number (SSN). We may also share your information for the following purposes, called routine uses:

- To employers in order to complete their records for reporting wages to us, pursuant to the Federal Insurance Contributions Act and section 218 of the Social Security Act; and
- To contractors and other Federal agencies, as necessary, to assist us in efficiently administering our programs.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0058, entitled Master Files of SSN Holders and SSN Applications, as published in the Federal Register (FR) on December 29, 2010, at 75 FR 82121. Additional information, and a full listing of all of our SORNs, is available on our website at www.ssa.gov/privacy.
